

Class: first morning-A

University of Anbar
 College of Education for Pure Sciences
 Department of biology

Weekly Lessons Schedule 2021-2022

3,00-2,00	2,00-1,00	1,00-12,00	12,00-11.00	11,00 – 10,00	10,00 – 9,00	Time / day
	Analytical Chemistry		Zoology		Cytology-1	Sunday
Practical Analytical Chemistry G/B Practical cytology-1 G/C Practical Zoology G/A		Practical Analytical Chemistry G/C Practical cytology-1 G/A Practical Zoology G/B		Practical Analytical Chemistry G/A Practical cytology-1 G/B Practical Zoology G/C		Monday
	Biological safety and security	Human Rights	Arabic language			Tuesday
	Geology			Educational psychology		Wednesday
Practical Biological safety and security G-B	Practical Biological safety and security G-C		Practical Biological safety and security G-A			Thursday

Class: first morning-B

University of Anbar
College of Education for Pure Sciences
Department of biology

Weekly Lessons Schedule 2021-2022

3,00-2,00	2,00-1,00	1,00-12,00	12,00-11.00	11,00 – 10,00	10,00 – 9,00	Time Day
	Cytology-1	Analytical Chemistry		Zoology		Sunday
Practical Analytical Chemistry G/B Practical cytology-1 G/C Practical Zoology G/A		Practical Analytical Chemistry G/C Practical cytology-1 G/A Practical Zoology G/B		Practical Analytical Chemistry G/A Practical cytology-1 G/B Practical Zoology G/C		Monday
		Arabic language		Biological safety and security	Human Rights	Tuesday
		Educational psychology		Geology		Wednesday
Practical Biological safety and security G-B		Practical Biological safety and security G-C		Practical Biological safety and security G-A		Thursday

Class: first in the evening

University of Anbar

College of Education for Pure Sciences

Department of biology

Weekly Lessons Schedule 2021-2022

8,00-7,00	7,00-6,00	6,00-5,00	5,00-4.00	4,00 – 3,00	3,00 – 2,00	Time Day
	Zoology		Cytology-1	Analytical Chemistry		Sunday
Practical Analytical Chemistry G/B Practical cytology-1 G/C Practical Zoology G/A		Practical Analytical Chemistry G/C Practical cytology-1 G/A Practical Zoology G/B		Practical Analytical Chemistry G/A Practical cytology-1 G/B Practical Zoology G/C		Monday
	Arabic language			Biological safety and security	Human Rights	Tuesday
	Geology			Educational psychology		Wednesday
Practical Biological safety and security G-B		Practical Biological safety and security G-C		Practical Biological safety and security G-A		Thursday

Class: second in the morning

University of Anbar
College of Education for Pure Sciences
Department of biology

Weekly Lessons Schedule 2021-2022

3,00-2,00	2,00-1,00	1,00-12,00	12,00-11.00	11,00 – 10,00	10,00 – 9,00	Time / Day
Practical Histology G-B Practical invertebrates G-C Practical Algology G-A		Practical Histology G-C Practical invertebrates G-A Practical Algology G-B		Practical Histology G-A Practical invertebrates G-B Practical Algology G-C		Sunday
Histology G-B invertebrates G-C Algology G-A		Histology G-C invertebrates G-A Algology G-B		Histology G-A invertebrates G-B Algology G-C		Monday
Practical Histology G-E Practical invertebrates G-F Practical Algology G-D		Practical Histology G-F Practical invertebrates G-D Practical Algology G-E		Practical Histology G-D Practical invertebrates G-E Practical Algology G-F		Tuesday
		English language		Anatomy Of A Plant		Wednesday
Scientific Research method		Developmental psychology		Practical Anatomy Of A Plant		Thursday

Class: second in the evening

University of Anbar
College of Education for Pure Sciences

Department of biology

Weekly Lessons Schedule 2021-2022

7,00-6,00	6,00-5,00	5,00-4,00	4,00-3.00	3,00 – 2,00	2,00 – 1,00	Time Day
Scientific Research method		English language		Anatomy Of A Plant		Sunday
Invertebrates		Histology		Algology		Monday
		Practical Histology G-B Practical Algology G-A		Practical Histology G-A Practical Algology G-B		Tuesday
		Practical invertebrates G-B		Practical invertebrates G-A		Wednesday
Practical Anatomy Of A Plant G-B		Practical Anatomy Of A Plant G-A		Developmental psychology		Thursday

Class: Three in the morning

University of Anbar
College of Education for Pure Sciences

Department of biology

Weekly Lessons Schedule 2021-2022

3,00-2,00	2,00-1,00	1,00-12,00	12,00-11.00	11,00 – 10,00	10,00 – 9,00	Time Day
Curriculum and Teaching methods		Entomology		Plant Morphology		Sunday
Practical Genetics G-B Practical Microbiology G-C Practical Comparative anatomy G-A	Practical Genetics G-C Practical Microbiology G-A Practical Comparative anatomy G-B	Practical Genetics G-A Practical Microbiology G-B Practical Comparative anatomy G-C	Monday			
Practical Genetics G-E Practical Microbiology G-F Practical Comparative anatomy G-D	Practical Genetics G-F Practical Microbiology G-D Practical Comparative anatomy G-E	Practical Genetics G-D Practical Microbiology G-E Practical Comparative anatomy G-F	Tuesday			
Genetics-1 G-B Microbiology G-C Comparative anatomy G-A	Genetics-1 G-C Microbiology G-A Comparative anatomy G-B	Genetics-1 G-A Microbiology G-B Comparative anatomy G-C	Wednesday			
	Practical Entomology G-B Practical Plant Morphology G-A	Practical Entomology G-A Practical Plant Morphology G-B	Thursday			

Class: Three in the evening

**University of Anbar
College of Education for Pure Sciences**

Department of biology

Weekly Lessons Schedule 2021-2022

8,00-6,00	6,00-5,00	5,00-4,00	4,00-3.00	3,00 – 2,00	2,00 – 1,00	Time Day
Curriculum and Teaching methods		Entomology		Plant Morphology		Sunday
		Practical Comparative anatomy G-B		Practical Comparative anatomy G-A		Monday
Genetics-1		Microbiology		Comparative anatomy		Tuesday
		Practical Genetics G-B Practical Microbiology G-A		Practical Genetics G-A Practical Microbiology G-B		Wednesday
		Practical Entomology G-B Practical Plant Morphology G-A		Practical Entomology G-A Practical Plant Morphology G-B		Thursday

Class: 4th in the morning -A

University of Anbar
College of Education for Pure Sciences

Department of biology

Weekly Lessons Schedule 2021-2022

3,00-2,00	2,00-1,00	1,00-12,00	12,00-11.00	11,00 – 10,00	10,00 – 9,00	Time Day
English language		Applied Bacteria		Ecology		Sunday
Measuring and Evaluating		Practical Ecology G-A Practical Applied Bacteria G-B		Practical Ecology G-A Practical Applied Bacteria G-B		Monday
Practical Parasitology-1 G-B Practical Molecular biology G-C Practical Plant Physiology G-A		Practical Parasitology-1 G-C Practical Molecular biology G-A Practical Plant Physiology G-B		Practical Parasitology-1 G-A Practical Molecular Biology G-B Practical Plant Physiology G-C		Tuesday
Molecular Biology G-B Plant Physiology G-C Teaching applications G-A		Molecular Biology G-C Plant Physiology G-A Teaching applications G-B		Molecular Biology G-A Plant Physiology G-B Teaching applications G-C		Wednesday
Graduation Research Project		Parasitology -1 G-B		Parasitology -1 G-A		Thursday

Class: 4th in the morning -B

University of Anbar
College of Education for Pure Sciences

Department of biology

Weekly Lessons Schedule 2021-2022

3,00-2,00	2,00-1,00	1,00-12,00	12,00-11.00	11,00 – 10,00	10,00 – 9,00	Time Day
English language		Applied Bacteria		Ecology		Sunday
Measuring and Evaluating		Practical Ecology G-A Practical Applied Bacteria G-B		Practical Ecology G-A Practical Applied Bacteria G-B		Monday
Practical Parasitology-1 G-E Practical Molecular biology G-F Practical Plant Physiology G-D		Practical Parasitology-1 G-F Practical Molecular biology G-D Practical Plant Physiology G-E		Practical Parasitology-1 G-D Practical Molecular Biology G-E Practical Plant Physiology G-F		Tuesday
Molecular Biology G-B Plant Physiology G-C Teaching applications G-A		Molecular Biology G-C Plant Physiology G-A Teaching applications G-B		Molecular Biology G-A Plant Physiology G-B Teaching applications G-C		Wednesday
Graduation Research Project		Parasitology -1 G-B		Parasitology -1 G-A		Thursday

Class: fourth in the evening

University of Anbar
College of Education for Pure Sciences

Department of biology

Weekly Lessons Schedule 2021-2022

7,00-6,00	6,00-5,00	5,00-4,00	4,00-3.00	3,00 – 2,00	2,00 – 1,00	Time Day
English language		Applied Bacteria		Ecology		Sunday
		Molecular Biology		Plant Physiology		Monday
Measuring and Evaluating		Practical Ecology G-A Practical Applied Bacteria G-B		Practical Ecology G-A Practical Applied Bacteria G-B		Tuesday
Practical Parasitology-1 G-B Practical Molecular Biology G-C Practical Plant Physiology G-A		Practical Parasitology-1 G-C Practical Molecular Biology G-A Practical Plant Physiology G-B		Practical Parasitology-1 G-A Practical Molecular Biology G-B Practical Plant Physiology G-C		Wednesday
Graduation Research Project		Teaching applications		Parasitology -1 G-A		Thursday
