Curriculum Vitae CV

Name: Bashar Abdulazeez Mahmood

Date of Birth: 21-6-1979

Religion: Muslim

Martial statues: Married

No. of children: 2

Specialization: Ph. D. Analytical Chemistry

Position: Teaching Staff in Education College for Pure Sciences

Scientific Degree: Assistant Professor

Work Address: Department of Chemistry - Education College for Pure Sciences in University of Anbar

Work Phone:

Mobile: (+964) 7903706872 or (+964) 7700247945

E-mail: esp.bashar.abdulaziz@uoanbar.edu.iq

bashar_msc@yahoo.com

basharalobaidi@yahoo.com

bashar.msc@gmail.com

■ First, Scientific Certification:

Degree science	University	College	Date
B.Sc.	Anbar	Education College	2002
M.Sc.	Anbar	Education College for Pure Sciences	2005
Ph.D.	Kazan National Research Technological University	Oil and oil chemistry	2016
Any other			

■ Second, Career:

Nº.	Career	Workplace	From -To
1	Teaching Staff	Education College for Pure Sciences in University of Anbar	(2005- Now)
2	Rapporteur Undergraduate Studies	Education College for Pure Sciences in University of Anbar	(2020- Now)

■ Third, University Teaching:

Ministry of

Higher

No.	University	The (Institute / College)	From -To
1	University of Anbar	Department of Chemistry - Education College for Pure Sciences	(2005- Now)

Fourth, Courses Which You Teach:

Bachelor:

No.	Department	Subject	Year
1	Chemistry	Instrumental chemical analysis	Fourth
2	Chemistry	Gravimetric analysis and Modern methods of separation	Second
3	Chemistry	Qualitative and quantitative analysis	First
4	Biology	General chemistry	First

Master:

Specialization	Department	Subject
Analytical Chemistry	Chemistry	Modern methods of separation
Analytical Chemistry	Chemistry	Spectral analysis

Fifth, Thesis which was supervised by:

No.	Thesis Title	Department	Year
1	Study the chemical composition of natural and industrial asphalt and the possibility of improving their properties	Chemistry	2018
2	Determination the concentrations of some heavy metals in the water in Anbar Governorate	Chemistry	2020
3	Measuring the level of pollution with lead in the environment of Anbar Province and its effect on humans	Chemistry	2020

Sixth, Conferences which you participated:

No.	Conferences Title	Year	Place	Type of Participation
1	First scientific conference	16-2009/11/17	Faculty of Sciences / University of Anbar	Researcher

Ministry of

Higher

2	First scientific conference	22-24/2009/12/	Centre for Desert Studies / University of Anbar	Researcher
3	Specialized scientific symposium in chemistry titled (Chemistry & Society)	28 April 2010	Department of Chemistry, Faculty of Education for Pure Sciences -University of Anbar	Attendance
4	Second Scientific Conference	-20 22/5/2011	College of Education for Pure Sciences, University of Anbar	Supervising the research
5	Fifth scientific conference	-78/12/2011	Anbar Health Directorate, Iraq	Researcher
6	Scientific conference	-21 23/12/2011	Faculty of Engineering University of Anbar	Researcher
7	Second scientific conference	-20 2/11/2012	Faculty of Sciences / University of Anbar	Researcher
8	International scientific conference "Butlerov heritage"	17-22 /5/ 2015	Kazan, Russia	Researcher
9	Scientific conference "Mendeleev Congress"	26-30 /9/ 2016	Ekaterinburg, Russia.	Researcher
10	Seventh Conference of Creative Students	16/5/2017	University of Anbar	Supervising the research
11	Second scientific conference	24-25 /10/ 2017	Oil Products Distribution Company - Anbar province & University of Anbar	Attendance
12	Seventh scientific conference	-16 /12/172017	Anbar Health Directorate, & University of Anbar	Attendance
13	2 nd International Conference for Science &Arts	7-8March 2018	University of Babylon , Iraq & Liverpool John Moores University, United Kingdom	Researcher

Ministry of

Higher

14	Workshop entitled "Classification of the World for Environmentally Friendly Universities	14 March 2018	College of Education for Pure Sciences, University of Anbar, Iraq	Attendance
15	Scientific symposium in chemistry titled (Waste recycling ensure a safe environment of pollution)	17 April 2018	Department of Chemistry, Faculty of Education for Pure Sciences -University of Anbar & Environment Directorate of Anbar	Researcher
16	Third International Conference on Civil and Environmental Engineering	April 24 – 27, 2018.	Sheraton Çeşme Hotel Resort & Spa, İzmir, TURKEY	Scientific Paper
17	Specialized scientific symposium titled (Integrated management of water resources in the province of Anbar, to ensure the achievement of sustainable development)	25 April 2018	Department of Dams and Water Resources, Faculty of Engineering - University of Anbar	Attendance
18	Chemistry in community service	5/11/2018	Chemistry Department, Faculty of Education for Pure Sciences - University of Anbar	Attendance
19	The first international conference moderation in religious and political discourse and its impact in promoting community development	2018/10/31	University of Anbar	Attendance
20	The 8th Medical Scientific Conference of Anbar Health ... The importance of health promotion	29-30/12/2018	Anbar Health Directorate & University of Anbar & University of Fallujah	Attendance
21	Third International Conference on Computing communication and Information Technology	-24 25/4/2019	University of Anbar - College of Computer and College of Education for Pure Sciences	Attendance

Ministry of

Higher

22	12 th International Conference on the Developments in eSystems Engineering	-7 2019/10/10	Kazan, Russia	Reviewer
23	Chemical, biological, radiological, and nuclear CBRN safety and security in laboratories	2020/5/12	College of Applied Sciences / University of Fallujah	Attendance
24	E-learning in Iraq under the Corona pandemic (challenges and proposed solutions)	2020/5/13	College of Education for Women / University of Anbar	Attendance
25	The role of the environmental performance index in the implementation of the SDG	2020/5/14	Environmental Engineering and Pollution Department / University of Kirkuk	Attendance
26	Home sports practices during quarantine are a way to counter the Corona pandemic	2020/5/14	College of Education for Women / University of Mosul	Attendance
27	2 nd International Scientific Conference of Al-Ayen University, Iraq.	-15 2020/7/17	Al-Ayen University, Iraq	Researcher
28	Manifestations of the impact of Corona in humans, education and the media	2020\11\19	College of Agricultural Engineering Sciences - University of Baghdad	Attendance
29	The sulfur springs in Heet and Kabisa, and the possibility of investing in tourism and medical	2020\11\27	Faculty of Science - University of Anbar	Attendance
30	COVID-19 : Updates on Management and Outcome	28- 29\11\2020	Faculty of Medicine - University of Anbar	Attendance
31	Sustainable environmental development in Iraq	2020\12\3	Basin Development Center Upper Euphrates - University of Anbar	Attendance

Ministry of

Higher

32	Green chemistry ..future chemistry with environmental flavor	2020\12\30	Faculty of Science - University of Basra	Attendance
33	Pharmaceutical polymers revolution in the world of medicine	2021\1\3	College of Education for Girls - University of Anbar	Attendance
34	Analytical Chemistry in Crime Scene	2021\3\3	Department of Chemistry, Faculty of Science - University of Basra	Attendance
35	2nd International Conference on Engineering and science (ICES2021)	7 - 8\4\2021	University of the Middle Euphrates Technical - Technical Institute Samawa	Reviewer
36	Baghdad First International Water Conference	13 - 14\3\2021	Ministry of Water Resources, Iraq	Attendance
37	The Second International Virtual Conference on Pure Sciences	21 - 22\4\2021	University of Al-Qadisiyah - College of Sciences	Researcher Reviewer

Seventh, Scientific Activities:

Within the College		Outside the College
Course name	Place	Year
Efficiency of the computer	Computer center in university of Anbar	2004
Proficiency exam of English language	Faculty of arts, university of Mustansiriya	31-1-2004
Educational qualification	Teaching methods center, University of Anbar	2006
Efficiency of the computer	Computer center in university of Anbar	2010

Ministry of

Higher

Training course in the field of chemical safety and security	Technological university , Iraq	2012 / 5 / 17-15
Training workshop on laboratory equipment	Centre for desert studies / university of Anbar & ouma international company, Iraq	2011-12-4
Success in the test IC3	Institute of Ibn Al-haytham for languages and translation - Anbar	2012-08-21
Success in the TOEFL ITP test - score 477	Albany institute - Anbar	2011-10-1
Course of the Russian language	Kazan national research technological university, Russia	2013-04-08
American English language live teacher development	U.S. department of state	January-march 2018
GLP Good Laboratory Practice course	Center for continuing education - university of Anbar	31-27/1/2019
Internal quality auditor according to standard specifications	Center for Continuing Education - University of Anbar	25-20/4/2019
Applications to store and share files and benefit from their services	General Secretariat of the Central Library / University of Baghdad	2020/4/14
Teaching - education processes feedback	Tusii University College, Najaf	2020/4/16
How to write a subject review article in the second table in scientific promotions	Tusii University College, Najaf	16/4/2020
How to publish in high-impact journals	Tusii University College, Najaf In collaboration with Liverpool John Moores University, UK	17/4/2020
Methods of sampling and laboratory tests for COVID-19	Center for Continuing Education - University of Qadisiyah	18/4/2020
How to be a successful teacher in distance education	Center for Development and Continuing Education - Thi Qar University	18/4/2020
Professional skills in writing scientific research using word	Center for Continuing Education - University of Technology - Baghdad	19/4/2020
Main applications of the classroom platform: Manage files in Google Drive	Faculty of Islamic Sciences / University of Anbar	20/4/2020
Google forms and use it by e-learning	Electronic Computer Department / Hamdaniya University	21/4/2020

Ministry of

Higher

Researcher guide on using the Research Gate site	Technical Trainers Institute / Central Technical University / Ibn Sina Center for Education / University of Baghdad	22/4/2020
Techniques for preventing fraud in the electronic exam and recording the attendance electronically	Al-Qaim College of Education / University of Anbar	22/4/2020
The importance of databases in crisis management	Upper Euphrates Basin Development Center / University of Anbar	23/4/2020
Basic concepts of scientific publication in Scopus and Clarivate	Center for Continuing Education - University of Tikrit	9/5/2020
Effects Writing for Publishing Research Papers	Al-Karkh University of Science – Baghdad	2020/5/12
Start your science career a scientific reviewer	Al-Mansour University College / Iraqi Association for Libraries and Information - Baghdad	2020/5/20
Peer review training course	Publons Academy graduate	2020/8/17
The dangers of w pollution from the current perspective technology	IFAD platform	27\9\2020
Iraqi journals and scientific indexing requirements (Scopus and Clarivate)	University of Fallujah	1\11\2020
Using the educational services of the G-Suite for Education package at the University of Anbar.	Center for Continuing Education - University of Anbar	2020/11/15
Use the most important additions of Google Forms in electronic exams.	Center for Continuing Education - University of Anbar	2020/11/17
Preparing and creating digital content and recording it within the PowerPoint presentation for academic lectures.	Center for Continuing Education - University of Anbar	2020/11/19
Regulations Of Scientific Promotion	Iraq Development Platform	20\11\2020
Blended education and its impact on education in Iraqi universities	Center for Continuing Education - University of Anbar	21\11\2020
Create and prepare electronic exams on Google Forms	Center for Continuing Education - University of Anbar	2020/11/21
Bioremediation - a promising approach to a clean environment	College of Education for Pure Sciences - University of Anbar	22\11\2020
Managing and organizing electronic classes on the Google Classrooms platform	Center for Continuing Education - University of Anbar	2020/11/22

Ministry of

Higher

How to manage lectures, workshops and seminars using programs Central-Hub connect: Zoom Meeting, Free Conference Call, Google Meet	Center for Continuing Education - University of Anbar	2020/11/24
Formation of holograms using photopolymer media	College of Science - University of Basra	25\11\2020
Electronic fraud methods between traditional and electronic methods	Center for Continuing Education - University of Anbar	2020/11/26
Mendeley and EndNote software for arranging sources for thesis writing and scholarly research	College of Education for Girls - University of Anbar	29\11\2020
The rules of ethical conduct and professional e-learning for students and teaching staff.	Center for Continuing Education - University of Anbar	2020/11/29
How to create an online class using Google Classroom, give lectures with Google Meet, and record student attendance using Google Form and MS Office Excel	Center for Continuing Education - University of Basra	30\11\2020
Managing examination committees in the e-learning environment	Center for Continuing Education - University of Anbar	2020/12/1
Some organism absorbing radiation and harmful substances	College of Science - University of Basra	2\12\2020
Instructional design for a successful virtual lab	Center for Continuing Education - University of Basra	3\12\2020
Recording, producing and creating effective educational content for electronic classrooms using Camtasia software	Center for Continuing Education - University of Anbar	2020/12/3
Learn about the Edmodo platform, how to register in it and benefit from its services	Center for Continuing Education - University of Anbar	2020/12/5
Chemical safety and security	College of Science - University of Basra	11\12\2020
High-performance liquid chromatography principle & Applications	College of Science - University of Basra	23\12\2020
Optimal use of video clips in the preparation of academic lectures	Center for Continuing Education - University of Anbar	2020/12/28
Recent Technologies in Environmental Pollutants Treatment of Water and Wetland	College of Science - University of Basra	2021\1\6
Achieving sustainable development through waste recycling	College of Dentistry - Iraqi University	2020\3\1

Eighth, Research Projects In The Field Of Specialization To The Environment And Society Or The Development Of Education:

No.	Research Title	Place of Publication	Year
1	Study the possibility of investing asphalt sulfur springs in the Hit area for the purposes of building and construction	Iraqi Journal of Civil Engineering	2007
2	Evaluation of reservoir water quality Habbaniyah using remote sensing techniques and geographic information systems	Iraqi Journal of Civil Engineering	2008
3	Analytical Comparison Study for Asphalt and Water of Hit Sulphurous Springs	Journal of university of Anbar for Pure science	2009
4	The Improvement of the Properties of Heat Natural Asphalt as a Proofing by Using an Old Tires Rubber Powder	Journal of university of Anbar for Pure science	2009
5	Study of Some pollution Sources for Euphrates River Water Between Hit and Ramadi Cities	Iraqi Journal for the Study of the desert	2010
6	Study of the validity of some of water wells in Anbar governorate for human and agricultural uses	Iraqi journal of desert studies	2011
7	The use of polystyrene waste in concrete	Journal of university of Anbar for Pure science	2013
8	Determination the concentration of lead in water in the range 3 - 30 mg/l by the method TXRF on the instrument S2 PICOFOX	Journal of Kazan Technological University	2014
9	Analysis of concentrations of toxic elements in milk by the method TXRF	Journal of University of Technology	2015
10	Comparison of the main indicators of AAS and TXRF in the analysis of water	Journal of University of Technology	2016
11	Measurement of toxic elements using TXRF in the control of water quality and purification	Journal of University of Technology	2016
12	Determination of lead in water in a concentration range of 0.0030 – 0.0200 mg/l method TXRF	Journal of University of Technology	2016

13	Measurement assurance lead certain ions in water with low salinity by TXRF	Butlerov Communications	2016
14	Determination of lead in water by TXRF	Factory Laboratory. Diagnosis of materials	2016
15	Automation of metrological provision of analysis result.	Butlerov Communications	2016
16	The Feasibility of Using Plastic Wastes to Improve the Properties of Natural Asphalt	Journal of Engineering and Applied Sciences	2018
17	Studying the impact of the military operations on the environmental change of water and studying suitability for human and agricultural uses in Anbar Province	Mesopotemia Environmental journal	2018
18	Study and analysis of raw water and drinking water in Garma District, Anbar Province, Iraq	Journal of Global Pharma Technology	2018
19	Reducing the environmental impact of cork waste by improving natural Asphalt as water proofing material	Indian journal of forensic medicine & toxicology	2020
20	Extraction of Ag(I) ion traces from aqueous solutions using inorganic thin film and nanocrystalline sorbents	Annals of Tropical Medicine and Public Health	2020
21	Study the chemical composition of natural and industrial asphalt and the possibility of improving their properties	Journal of Educational and Scientific Studies	2020
22	A comprehensive analytical study of water quality in Al- Khalidiya district in Anbar governorate, Iraq,	IOP Conference Series: Materials Science and Engineering	2020
23	The environmental characteristics and analysis of the Euphrates river within Al-Anbar province, Iraq, A review	Iraqi journal of desert studies.	2021
24	Influence of Waste Engine Oil Addition on the Properties of Natural Asphalt	IOP Conference Series: Journal of Physics	2021

Ninth, Membership:

Ministry of

Higher

Membership of committees		
At the department level	At the college level	At the university level
Laboratory Equipment Officer	Committee to follow up the mechanisms of developing safety and security teams in the college	Commissions of Inquiry for scientific promotion
Examinations Committee	Committee for Organizing Students Curriculum	The Preparatory Committee for the Third International and First Scientific Conference on Pure Sciences
Book inventory committee	Commissions of Inquiry for Master Thesis	Scientific evaluation of global research and scientific promotion
The department's inventory committee	Technical supervision in the Analytical Chemistry Laboratory	
Program Accreditation Committee	Program Accreditation Committee	
Department Rapporteur	Committees auditing	
Scientific Committee		
Laboratory rehabilitation committee		
Postgraduate Competitive Examination Committee		
Scientific clearing committee		

■ Tenth, Awards and Certificates of Appreciation:

No.	Name of Awards and Certificates	Donor	Year
1	Book thanks	Minister (3)	2021&2020
2	Book thanks & A certificate of appreciation	Head University (12)	2017&2018&2011&2012&2010&2009&2020
3	Book thanks & A certificate of appreciation	Dean (10)	2011&2009&2020&2008&2018&2010
4	Book thanks	Head of Chemistry Department (3)	2011&2009&2010

Ministry of

Higher

5	Book thanks & A certificate of appreciation	Other destinations (7)	2017&2012&2009&2010
---	---	---------------------------	---------------------

■ **Eleventh, Scientific literature:** No

№.	Scientific Literature Title	Year of The Publication

■ **Twelfth, Languages:**

1. Arabic
2. Russian
3. English
