#### 4- Courses I taught

Year	Course	Department	N
		Preliminary studies	
1994-1992	A practical plant + A practical plant anatomy	Biology	1
1996-1994	Plant nutrition	Biology	2
1999-1996	Biochemistry	Biology	3
2003-1996	General Plant + plant Anatomy	Biology	4
2009- 2003	Biology and microbiology	Biology	5
2009 until now	Microbiology + biotechnology	Biology	6
2017- 2015	Cellular metabolism + applied bacteria	Biology	7
		Post- graduate studies	
2017-2005	Advance bacteriology	Biology	1
2008-2007	Advance pathological bacteria	science -Biology collage	2
2014-2013	Enzymatic microbes	Science- Biology	3
2010 until now	Advance biotechnology	education– Biology	4
2018-2017	Microbial fermentation	Biology	5
2017 until now	advance micro-physiology	Biology	6

#### 5- (Letters, letters) supervised by:

Year	Department	Thesis name	N
		Master	
2007	Biology	isolation the bacteria that produce amylase from soil of the Ramadi region	1

2007	Biology	isolation bacteria Streptomyce and produce Cellulose enzyme	2
2007	Biology	Use of <i>Aspergillus niger</i> fungi in the production of monoclonal .protein using local plant and industrial residues	3
2008	Biology	An epidemiological study of bacteriophageal bacteria in the city of Kirkuk	4
2008	Biology	Isolation and diagnosis of the azotobacter and the mycorrhiza and study their role as a biomass	5
2010	Biology	Isolate bacteria producing L-enzyme and study some enzyme properties	6
2011	Biology	Study of the role of aerobic and anaerobic bacteria in post-surgical complications	7
2011	Biology	Isolation and diagnosis of Bacillus spp. And study the effect of antibiotics on them and study some of the histological variables .resulting in laboratory animals	8
2012	Biology	Investigation of the wild isolation of Rhizobium bacteria and testing .its efficiency in atmospheric nitrogen fixation	9
2012	Biology	Isolation of bacteria producing urease enzyme using plant residues and studying the kinetic properties of the enzyme	10
2013	Biology	Effect of Interaction between Glomus and Rhizobium in Plant .Growth Characteristics	11
2013	Biology	The monoclonal and expression of the responsible gene for the production of invertor the microbial enzyme	12
2016	Biology	Test the efficiency of hydrocarbon analysis by isolated bacteria from soil contaminated with oil derivatives	13
2016	Biology	Protease microbial production and study of some enzyme properties	14

2018	Biology	Study some of the characteristics of the pepsin enzyme product using mixed vaccines	15
2018	Biology	The effect of monoclonal protein produced from local residues in some physiological characteristics of rats	16
2019	Biology	Techniques for Preparation of Agaricus bisporus Mushroom Cover and Production Materials on Some Compost Compounds	17
2019	Biology	Hydrobrombotic Disintegration - A study on the use of submerged plantation technology to produce monoclonal protein from hydrocarbon residues and study the degradation products of these .wastes	18
2020	Biology	Using Paper Waste and Local Bacterial Isolates to Produce Biomass and Cellulase Enzyme- A Study Waste Recycling	19
		PHD	
2017	Tikrit College of Education	Production of monoclonal protein and bioethanol from Cynodon dactylon L. by using Bacillus cerus and Fusarium solani	1
2017	Tikrit College of Education	Histological variations resulting from injection of P.aeruginosa bacteria and crude protease enzyme, partially cleared in white egg mice	2

#### 6- Conferences and scientific seminars in which he participated

Type of participation	Place	Year	Title	N
Presence	Bahrain	1990	International Conference on Technology Management and Localization	1
Member of the Preparatory Committee + Research	Anbar University - Faculty of Education	1995	The First Scientific Conference of the Faculty of Education	2

Vice President of the Preparatory Committee + Research	Anbar University - Faculty of Education	1996	Second Scientific Conference of the Faculty of Education	3
Member of the Preparatory Committee	Habbaniyah - Iraq	2000	First local Conference for Life Sciences	4
Attendance and research	University of Hodeidah - Yemen	2005	Twelfth International Conference of the Union of Arab Biologists	5
Attendance and research	Tanta University – Egypt	2006	Fourth International Conference on Biological Sciences	6
Research	University of Taiz – Yemen	2007	Fourth Scientific Conference on Environment and Natural Resources	7
Attendance and research	University of Menoufia – Egypt	2010	6th International Conference of the Egyptian Association of Experimental Biology	8
Attendance and research	University of Anbar - Faculty of Science	2011	The First Scientific Conference of Sciences - Anbar University	9
Attendance and research	Cairo University – Egypt	2011	the International Conference of 7 the Egyptian Association of Experimental Biology	10
Member of Scientific Committee	Anbar university	2012	he Second Scientific Conference of Sciences - Anbar University	11
Attendance and research	Cairo University – Egypt	2012	the International Conference of 8 the Egyptian Association of Experimental Biology	12
Attendance	Hurghada - Egypt	2010	Workshop on the ethics of scientific research	13
Attendance	Sharm AL sheikh, Egypt	2011	Workshop on viruses	14
Chairman of Scientific Committee	Anbar University - College of Education for Pure Sciences	2017	Second Conference for Postgraduate Students	15

Chairman of the Preparatory Committee	Anbar University - College of Education for Pure Sciences	2010	The third specialized symposium of the Department of Life Sciences	16
Member of the Preparatory Committee	University of Anbar	1998	First National Conference on Software Industries and Development	17
Representative of Anbar University	University of Sharjah – UAE	2002	the Eighth Forum for the Exchange of Training of Arab University Students	18
Participant	Anbar University + Anbar Health	2008	The 10th National Workshop on the Information Network The Second Conference of Health Graduate Students	19
Member of the Preparatory Committee	University of Anbar + State Company for Phosphates	2001	Scientific Symposium on Phosphosphere	20
Attendance	College of Education for Pure Sciences	2018	Workshop on the Global Classification of Environmentally Friendly Universities	21
Attendance and research	College of Education for Pure Sciences.Ibn Alhithm .Baghdad University	2020	The International Conference	

## 7- Other scientific activates:

Outside the collage	Inside the collage
Member of the committee of university scholarships	Chairman and member of the Scientific Committee and Graduate Studies
Member of the Scientific Committee for the Development of Scientific Laboratories	Member of the Scientific Promotions Committee
Chairman of the Ministerial Committee to study for inducing of a master's study at the Faculty of Education, Mosul University	President and member of the examination committee

Member of the Central Examination Committee at the University	Chairman of the faculty's validity test committee
Member and Chairman of the discussion committee of several post graduate students	Member of the Board of Directors of the Advisory Office of the College
Member of several comprehensive examination committees for doctoral students	Member of the Central Examination Committee at the College
Member of the university performance evaluation committee	Member and Chairman of the discussion committee of several graduate students

#### **8- Research projects in the field of specialization to serve the environment and society or the development of education**

Year	Publication site	Name of research	N
2002	Not published as agreed with the company	Environmental study of the effects of pollution resulting from the laboratories of the General Company for Phosphates	1
2010	Anbar Journal of Pure Sciences	Pioneer research with the Ministry of Higher Education and Scientific Research	2
until 1993 now	Local and Arabic scientific journals difference	Published more than 20 researches in the field of specialization	3

#### **9-Membership of local and international scientific Commission** ■■

- 1- Member of the Sub-Committee and the High of the Iraq Prize for Science
- 2- Member of the Egyptian Association of Experimental Biology.

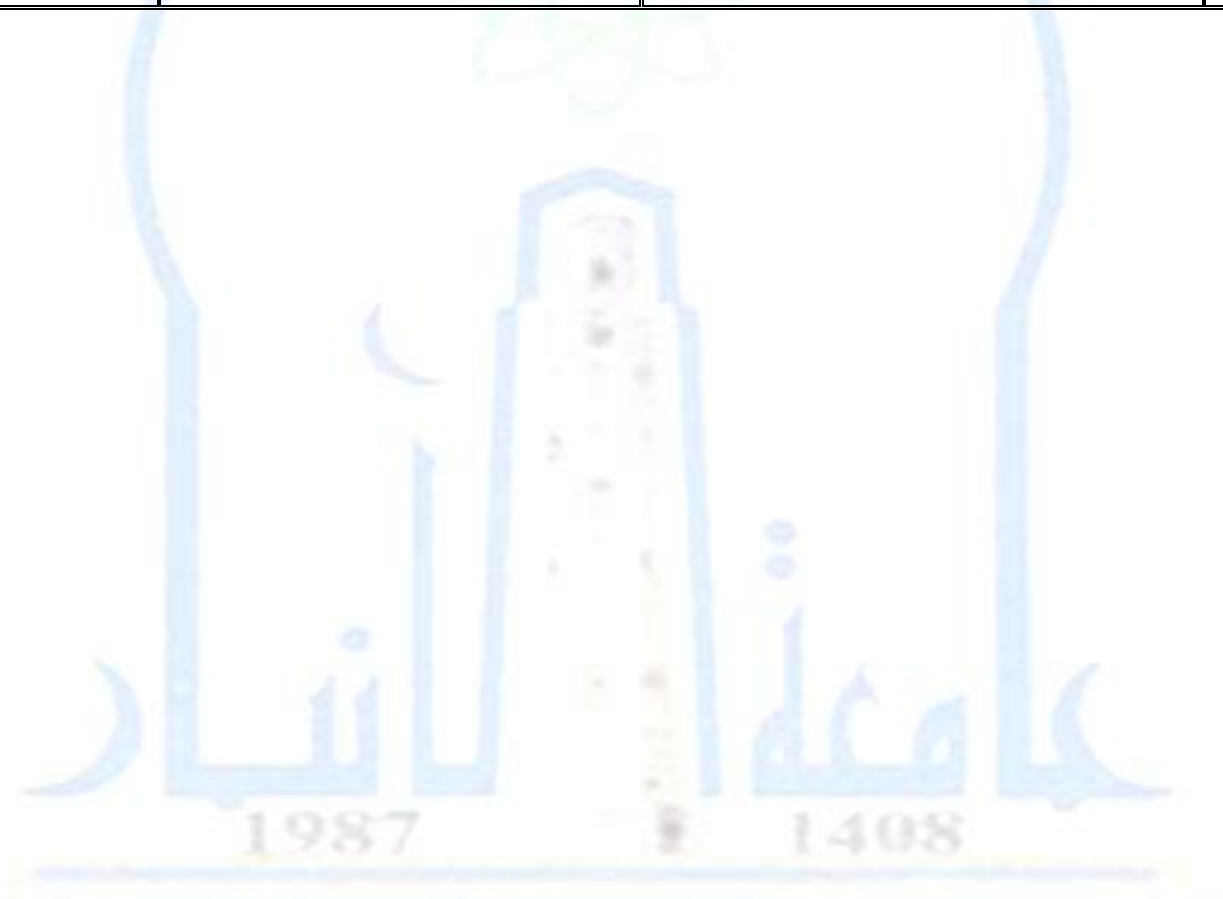

#### **10- Book of thanks, award or certificate:**

Year	Donors Organization Donors	Book of thanks, award or certificate	N
------	-------------------------------	--------------------------------------	---

-2000-1999 2001	Minister of Higher Education	A book of thanks and 3 appreciation	1
2011	Member of Parliament	A book of thanks and 1 appreciation	2
2018-1993	University's president	A book of thanks and 33 appreciation	3
2018-1993	Dean of the College	A book of thanks and 16 appreciation	4
2011	Director General of Anbar Education	A book of thanks and 1 appreciation	5
2012 و 2011	Ministry of Higher Education and Scientific Research	Science Day Award 2	6

2000	Council of Ministers Council of Ministers	Award for the first place in the care of scientific staff	7
2014	Ministry of Higher Education and Scientific Research	A certificate of appreciation	8
2005	President of Hodeidah University	A certificate of appreciation
