

Discussion of the Master Student

With the help of Allah, the master student (Mustafa Habeeb Shallal) discussed his thesis (The Effect of Proposed Complex Exercises in Some Physical Abilities and the Level of Accuracy of Scoring for Youth Football Players) on the hall of the college of Islamic Sciences- alternative site- in Baghdad on Sunday, 24/05/2017. The committee of discussion consisted of the following names:

1. Prof. Dr. Waleed Khalid Hummadi Head
2. Assist. Prof. Dr. Intisar Mizher Saddam Member
3. Assist. Prof Dr. Muhsen Ali Nseif Member
4. Prof. Dr. Muwafaq Asa'd Member & Supervisor

The student gained satisfying degree. The dean of the college of Arts, a number of the academic staff at the college, the postgraduate students, the researcher's family, and his friends attended the discussion. Letters of thanks and appreciation have been given to the two members of the discussion committee who are from outside the college for their scientific efforts and their contribution in supporting the postgraduate studies.
