

a scientific seminar entitled (The Information, Skills, and the acquired Experiences of the Scholarship Students outside Iraq)

The College of Physical Education and Sport Sciences organized a scientific seminar entitled (The Information, Skills, and the acquired Experiences of the Scholarship Students outside Iraq) under the patronage Prof. Dr. Khalid Battal Al Najim, President of the University of Anbar and under the supervision Assist. Prof. Dr. Hussein Habeeb Muslih, Dean of the college on the college hall at the main site of Ramadi on Wednesday, 5/4/2017, 10 p.m. and in the presence of a number of gentlemen deans of the university colleges, and the academic staff, employees, and students of the college.

The seminar was managed by Prof. Dr. Wa'd Abdul Raheem Farhan which began with a recitation from the Holy Quran and then the attendants stood to read Surat Al-Fatihah. Then the Dean of the college gave a speech in which he praised the role of the researchers in adding everything new to serve the students and the community. He also called for the college to take its real role in the future in collaboration with the efforts of all academic staff, employees, and student. The seminar aimed at:

1. Introducing the visions and ideas of the scholarship students outside Iraq and their experience.
2. The sciences and knowledge they have acquired throughout the period of their scholarship.
3. Utilizing theoretical and practical experiences in the corresponding colleges.
4. Identifying the missions, visions, and objectives of the colleges in the scholarship countries.
5. Conclusions, recommendations, and proposals which they have reached.

The seminar focused on:

The first axis: (The Effectiveness of an Educational Program using the Planned Positions on the Level of Performance in Handball for Students of the College of Physical Education in Iraq) by Instructor Dr. Manaf Majid Hassan.

The second axis: (A Critical Discourse Analysis of the Political Novels of Robert Penn Warren, Jeff Greenfield, and Rex Stout) by Instructor Dr. Ayad Seleem Mansour.

The third axis: (The Impact of Harmonized Capacity Exercises on Improving some Basic Basketball Skills) by Assist. Instructor Omar Ahmed Muslih.

The fourth axis: (The Nervous, Muscular Compatibility and its Relationship with the Performance of Some Basic Skills for Footballers under 16 Years) by Assist. Instructor Mohammed Sadiq Ahmed.

Then the attendants discussed the most positive points that contribute to transfer the new of these sciences and utilizing them in the future. Earlier, two committees were assigned to prepare for this seminar. These are:

The Preparatory Committee:

1. Prof. Dr. Wa'd Abdul Raheem Farhan Head
2. Instructor Dr. Naser Khalid Abdul Razzaq Member
3. Instructor Dr. Marwan Abdul Lateef Abdul Jabbar Member

The Media Committee:

1. Instructor Dr. Khalid Salih Hummadi Head
2. Mr. Anes Abdul Qhahar Shaker Member
3. Mr. Malik Jamal Abid Member

And the workers in the Department of the Public Relations and Media at the Presidency of the University covered this seminar.
