

Curriculum vitae

Name and Surname: Ali Darub Kassar

Birth Date: 24/6/1966

Marriage status: Married

Number of children: 4

General and sub specialty: Agricultural Economics

Career: Academic staff

Academic position: Professor

Language: Arabic / English/ Russian

Religion: Islamic

**Work address: University of Anbar/ College of agriculture/
Agricultural Economics**

Personal contact number: 009647823904325

Work contact number: 009647823904325

Email: ali.darub@uoanbar.edu.iq

First: Scientific qualifications

Education certificates	University	College	Date
B.Sc.	University of Baghdad	College of Agriculture	1988
M.Sc.	University of Baghdad	College of Agriculture	1997
Ph.D.	University of Saint Petersburg	College of Economics	2003

Second: Career progression

Seq.	Academic degree	Institution	Date
1	Assistant Lecturer	University of Baghdad	1997
2	Lecturer	University of Baghdad	2004
3	Assist prof	University of Baghdad	2007
4	Prof	University of Baghdad	2013

Third: Teaching Activities

Seq.	Department	Subject	Year
1	Agricultural Economics	Farm management	1993
2	Agricultural Economics	microeconomics	1995
3	Agricultural Economics	Projects assessment	1994
4	Agricultural Economics	Statistics	2004

5	Agricultural Economics	Agricultural statistics	2004
6	Agricultural Economics	Mathematical Economics	All years
7	Agricultural Economics	Operation research	2021
8	Agricultural Economics	Agricultural Policy	2021
9	Agricultural Economics	Agricultural Development	2022
10	Agricultural Economics	Computers	2022
11	Agricultural Economics	Macroeconomics	2013
12	Animal resources	Animal Production	1997

Fourth: Conferences and workshops

Seq.	Title	Year	Venue	Type of participation
1	Economic and mathematical analysis of the impact of the international blockade on grain production in Iraq	2002	College of economics- Russia	Participate in a research meeting
2	The scientific conference held by the College of Administration and Economics with the Higher Institute for Financial and Accounting Studies	2013	Iraq	Participate in a research meeting
3	A symposium to discuss the Ministry of Agriculture's decision to stop importing fruits and vegetables under the title (Economic Impacts of Policies	2007	Agriculture College/ University of Baghdad	Participate in a lecture

	Limiting the Import of Agricultural Commodities)			
4	A look at the performance of Arab and Iraqi agricultural policy	2010	Agriculture College/ University of Baghdad	Participate in a lecture
5	Microfinance between civil action and profit-making investment (workshop) Department of Non-Governmental Organizations	2011	General Secretariat for the Council of Ministers	Participate in a research meeting
6	A lecture entitled “Policies related to integrated pest management” at the workshop on agricultural policies held by the Ministry of Agriculture in cooperation with ICARDA and USAID.	2013	Ministry of Agriculture/ Baghdad	Participate in a lecture
7	Seminar on Agricultural Land Rental Law No. 290 of 2010—	2012	Baghdad / Parliament	Participate in discussions
8	The role of foreign investment in the Iraqi agricultural economy	2012	College of Agriculture/University of Baghdad	seminar
9	Agricultural sector development workshop	2015	General Secretariat for the Council of Ministers	Participate in a lecture
10	Subcommittee meeting to improve legislation for the agricultural sector	2016	Baghdad / Parliament	Participate in discussions
11	A symposium on local scientific journals included in Scopus	2020	Basra Government	Participate in a lecture
12	Symposium ((The repercussions of the	2022	College of Agriculture/	Participate in a lecture

	rise in the prices of inputs for the production of agricultural commodities and their repercussions on food prices		University of Anbar	
13	Seminar - The investment climate in Iraq and some economic indicators affecting it and the agricultural sector	2022	College of Agriculture/ University of Anbar	Participate in a lecture
14	Seminar - (Evaluating the performance of grain crop farmers in Iraq and their views on the agricultural policy followed by the government	2023	College of Agriculture/ University of Anbar	Participate in a lecture
15	Seminar - The agricultural sector and response policies in Iraq: A vision from a strategic perspective	2023	College of Agriculture/ University of Tikrit	Participate in a lecture
16				
17				

Fifth: Supervision

Seq.	Type of study	Name of student	Topic	Department	Year
1	M.Sc.	Sadiq mahdi	Predicting wheat demand in Iraq	Agricultural Economics	2007
2	M.Sc.	Kasai Nazeeh	An economic analysis of the rice crop market in Iraq by estimating the demand and supply functions	Agricultural Economics	2010

			during the period (1980-2010) --- MS.c Thesis --		
3	M.Sc.	Haider Hameed	Estimating the nutritional gap of the wheat crop and the factors affecting its production for the period (1979-2009) in Al-Muthanna Governorate, an applied model.	Agricultural Economics	2011
4	Ph.D	Kasai Nazeeh	The role of domestic and foreign direct investment in Iraqi agriculture	Agricultural Economics	2014
5	M.Sc.	Nagam Rahman	An economic analysis of the factors affecting the agricultural gross domestic product in Iraq during the period 1985-2011	Agricultural Economics	2014
6	Ph.D	Haidar Hameed	Predicting the nutritional gap of wheat and rice crops in Iraq using the Box Jenkins method and neural networks for the period 2014-2022	Agricultural Economics	2015
7	Ph.D	Muhammed lateef	Investment priorities in the results of agricultural scientific research in Iraq	Agricultural Economics	2016

			using the policy analysis matrix (wheat case study).		
8	M.Sc.	Haider Hussain	Analysis of stability in the equilibrium of demand and supply of wheat in Iraq during the period 1971-2013	Agricultural Economics	2016
9	Ph.D	Bilal Najah	An economic study of the impact of fluctuations in the exchange rate on the structure of agricultural foreign trade in Iraq	Agricultural Economics	2017
10	M.Sc	Rand Kosai	An economic analysis of the seasonal phenomenon of prices and sales of some vegetables products in the wholesale markets of the city of Baghdad during the period 2010-2015 and their prediction using SARIMA seasonal time series models	Agricultural Economics	2018
11	Ph.D	Rafid Fattah	An economic study of the impact of some agricultural policies on the major cereal crops in Iraq during the	Agricultural Economics	2018

			period (1994-2015)		
12	M.Sc	Noor Sabah	An economic analysis of the impact of policies to support major cereal crops on the Iraqi economy for the period (1990-2016)	Agricultural Economics	2019
13	Ph.D	Durgham Salman	Financial and economic evaluation of some of the agricultural initiative projects in Iraq	Agricultural Economics	2020
14	M.Sc	Lina Amer Faris	Predicting the productivity of the main crops in Iraq for the period 2019-2025 using Markov chains	Agricultural Economics	2020
15	Ph.D	Ala obaid	An economic and analytical study of the effect of some variables on the structure of agricultural employment in Iraq	Agricultural Economics	2021
16	Ph.D	Noor Amer Ali	An economic analysis of the impact of agricultural legislation on agricultural policy-making in Iraq and achieving sustainable development goals	Agricultural Economics	2021

Sixth: Membership in local and international of scientific society or organization

- 1- The Iraqi Journal of Agricultural Sciences. University of Baghdad(Scopus(**
- 2- Economics(ECO)**
- 3- Applied Economics and Finance**
- 4- Advisory Editorial Board for the Global Journal of Economics and Business (GJEB)**
- 5- Journal of Al-Muthanna for Agricultural Sciences- ISSN: 2226-4086 (Paper(**
- 6- Anbar journal of Agricultural Economy**
- 7- Research on World Agricultural Economics:**
- 8- Reviewer / Business Management and Strategy:**
- 9- Journal of Agriculture and Livestock Farming**
- 10- Scientific Research Journal of Agriculture and Veterinary Science**

Seventh: Acknowledgments, prizes and appreciation certificate

Seq.	Type of reward	Institution	Year
1	Certificates of Appreciation	University of anbar	2010
2	Certificates of Appreciation	University of anbar	2017
3	Certificates of Appreciation	University of anbar	2017
4	Certificates of Appreciation	College of agriculture	2018
5	Certificates of Appreciation	University of anbar	2018
6	Certificates of Appreciation	College of agriculture	2019

7	Certificates of Appreciation	University of anbar	2019
8	Certificates of Appreciation	University of anbar	2019
9	Certificates of Appreciation	Ministry of Higher Education	2020
10	Certificates of Appreciation	Ministry of Higher Education	2020
11	Certificates of Appreciation	Ministry of Higher Education	2020
12	Certificates of Appreciation	University of anbar	2021
13	Certificates of Appreciation	Ministry of Higher Education	2021
14	Certificates of Appreciation	College of agriculture	2021

Eighth: Books

Seq.	Title of book	Published year
1	Agricultural Statistics	2013
2	Mathematical Economics	2014

Ninth: Committees

Seq.	Committee	Number of committees
1	Member of the Scientific Committee of the First International Conference in Agricultural Sciences/ University of Baghdad - College of Agricultural Engineering Sciences	1
2	Member of the preparatory committee for the second patent conference and exhibition of the College of Agricultural Engineering Sciences and the fourteenth of the Iraqi Innovation and Creativity Center	1
3	Member of the Advisory Committee for the Conference of the College of Agriculture, Al-Muthanna University	1
4	Member of the committee formed to study the report of the National Strategy for Food Security in Iraq (2022-2030) - College of Agriculture - Anbar University	1

5	Member of the Scientific Committee to study the problem of low student interest in colleges of agriculture and provide solutions and proposals that would increase demand	1
6	Member of the Curriculum Development Modernization Committee for one scientific specialization	1
7	Member of a committee to participate in the agricultural conference tagged (for sustainable agricultural development and achieving food security), which is organized by the Al-Zawraa Foundation for Economic Development	1
8	Member of a committee to study the development of the agricultural, livestock and water sectors	1
9	Member of the national evaluation team for agricultural colleges and the training portfolio	1
10	College guide preparation committee	1
11	scientific Committee	15
12	Examination committee	5

Tenth: Publications

Seq.	Title	Journal	Year
1	The economic and mathematical analysis of the impact of the international blockade on grain production in Iraq	International Scientific Conference at the Faculty of Economics, University of Sankt Peter-burg. United Russia	2003
2	Inflation and unemployment and their impact on the Iraqi economy	Iraqi Journal of Agricultural Sciences	2005
3	Evaluation of the level of scientific performance of students of the Department of Agricultural Economics / case model for the third and fourth stages of the academic year 2004-2003	Iraqi Journal of Agricultural Sciences	2006

4	Measurement and analysis of some factors affecting inflation in Iraq for the period 1992-2002	Iraqi Journal of Agricultural Sciences	2006
5	Economic reform in Iraq and the basic conditions for successful policies An analytical study	Iraqi Journal of Agricultural Sciences	2007
6	Comparison of methods of forecasting demand for rice crop in Iraq for the period 2011-2020	Iraqi Journal of Agricultural Sciences	2008
7	Economic analysis of the production costs of wheat in the Rashidiya district for the agricultural season 2007-2008	Journal of Administration and Economics	2009
8	The effect of losing an independent variable's observations and its location on simple regression analysis	Journal of Administrative and Economic Sciences - College of Administration and Economics	2011
9	The expected effects of the role of foreign investment on the Iraqi agricultural economy	The National Conference held by Baghdad University (College of Administration and Economics and the Higher Institute for Accounting and Financial Studies)	2013
10	Use predictive accuracy criteria to determine the optimal method to estimate missing values. (Agricultural Research Data as case study).	Iraqi journal of Agricultural Science	2013
11	Estimation of the function of producing wheat in Al-Muthanna Governorate for the production season 2010-2011	Uruk Journal for Scientific Research	2011
12	Estimating the demand and supply functions of the rice crop in Iraq during the period (1985-2010).	Iraqi Journal of Agricultural Sciences.	2010
13	An economic analysis of the	Iraqi Journal of	2015

	factors affecting the proportion of agricultural land in Iraq during the period 1980-2013 and its prediction for the period 2014-2024	Agricultural Sciences	
14	An economic analysis of the impact of technical development on the Iraqi agricultural GDP for the period (1990-2010).	Al-Qadisiyah Journal of Agricultural Sciences	2014
15	Predicting the food gap for wheat and rice crops in Iraq using the neural networks method for the period 2012-2014	Al-Muthanna Journal of Agricultural Sciences	2015
16	Predicting the nutritional gap of wheat and rice crops in Iraq using the ARIMA Box Jenkins method for the period 2014-2022.	Al-Muthanna Journal of Agricultural Sciences	2015
17	An econometric analysis of factors affecting local agricultural investment in Iraq for the period (1990-2012)	Journal of Agricultural Sciences	2015
18	Analysis of the investment climate in Iraq and its effect on attracting foreign direct investment for the period (2000-2012).	Iraqi Agriculture Journal	2015
19	Investment priorities in agricultural scientific research in Iraq using the policy analysis matrix method of cereals (Research wheat 158, Anbar Al Baraka Rice, Research 5, Synthetic yellow corn, fajr 1) case study.	Iraqi Journal of Agricultural Sciences	2017
20	Policy Analysis Matrix for Some Major Grain Crops Items (Research Rice 1, Synthetic Yellow Maize Baghdad 3) A Case Study in Iraq for the year 2012.	Iraqi Journal of Agricultural Sciences	2017
21	Analysis of stability in demand and supply equilibrium of wheat crop in Iraq for the period (1971-2013) using the	Iraqi Journal of Agricultural Sciences	2017

	cobweb model.		
22	The effect of non-oil foreign trade and some Iraqi macroeconomic variables on the Iraqi dinar exchange rate using the FMOLS model for the period (1990-2015)	Dananeer journal - College of Administration and Economics - Iraqi University	2019
23	Seasonality analysis of the tomato monthly price and its forecasting using seasonal time series models (SARIMA)-	Al-Muthanna J. For Agric Sci	2021
24	An economic study of the impact of foreign agricultural trade and some macroeconomic variables on the exchange rate in Iraq using the FMOLS model for the period (1990-2015)	Iraqi journal of agricultural sciences	2018
25	Detection of the seasonal variations of potato sales in wholesale markets of Baghdad province during the period (2010-2015) and forecasting by using seasonal time series models(SARIMA)-	Iraqi journal of agricultural sciences	2018
26	Economic analysis of the seasonal phenomenon of the prices and sales of dry onion crops in the wholesale markets of the city of Baghdad during the period (2010-2015) and their prediction using SARIMA seasonal time series models	National Conference for Sustainable Agricultural Development - Fayoum University - Faculty of Agriculture	2018
27	Estimation of the impact of some variables of agricultural economic policy on the Iraqi domestic agricultural product for the period 1994-2015 using the method of cointegration and the (ARDL) model	Iraqi journal of agricultural sciences	2018
28	The Effect of Agricultural Price Policy on the Production and Consumption of Wheat and Rice Crops in Iraq during the Period 2003-2016 -	Journal of Thiqar University for Agricultural Research	2019

29	An Economic Analysis of Determinants of Wheat Production Support in Iraq for the period 1990-2016.	Iraqi journal of agricultural sciences	2019
30	Economic determinants to support rice crop production in Iraq for the period (1990-2016).	Al-Rashid University Journal	2019
31	Detection of the seasonal variations and determining the shape of the time series of the monthly prices for the crop of cucumbers in Baghdad Governorate for a period (2010-2015) and forecasting them using SARIMA seasonal time series models	Anbar Journal of Agricultural Sciences	2019
32	Economic evaluation of some agricultural initiative projects in Iraq.	Iraqi journal of agricultural sciences	2020
33	Financial evaluation of some agricultural initiative projects in Iraq	Iraqi journal of agricultural sciences	2020
34	Forecasting wheat productivity in Iraq for the period 2019-2025 using Markov chains.	Iraqi journal of agricultural sciences	2021
35	An economic analysis for productivity of Rice Crop in Iraq and forecasting it for the period (2019-2025) using Markov chains	Al-Muthanna Journal of Agricultural Sciences	2021
36	The impact of investment in human resources on the productivity of agricultural labor in Iraq for the period (1990-2017)	Al-Kut Journal of Economic and Administrative Sciences	2020
37	Determining the Investment priorities of the agricultural scientific research in Iraq by using the policy analysis matrix for some of major grain crops	Iraqi Agriculture Journal	2020
38	An econometric study of the effect of some factors on the production of dates in Iraq	Algerian Journal of Economic and Financial	2020

	for the period from 2002 to 2018 based on the Panel data	,Research	
39	An Economic Analysis of the Effect of Some Economic Variables on the Structure of Agricultural Employment in Iraq for the period 1990-2017	Iraqi journal of agricultural sciences	2021
40	Environmental footprint study as part of indicators of sustainable agricultural development in Iraq	th International 10 conference for sustainable agricultural development- Egypt	2020
41	An Economic Analysis of the Factors Affecting the Investment Climate in Iraq and its Impact on Attracting Foreign Direct Investment to the Agricultural Sector	Al-Kut journal of economic and Administration Sciences	2021
42	An analysis of the impact of some socio-economic variables in regulating the cultivation and marketing of the rice crop in Iraq	The Iraqi Journal of Agricultural Sciences	2023
43	Analyzing the position of rice farmers from the results of implementing agricultural policy in Iraq using a likert scale	Al Muthanna Journal of Agricultural Sciences	2021
44	Using Markov Chains to Predict Productivity of Maize in Iraq for the period (2019-2025).	Applied Economics and Finance	2021
45	THE IMPACT OF SOME AGRICULTURAL LEGISLATION AND WHEAT FARMERS' COMMITMENT TO IT IN WASIT GOVERNORATE	Anbar journal of agricultural sciences	2022
46	The Effect of Seasonality in the Wholesale Markets of the Tomato Crop on Monthly Prices in Baghdad City during the Period (2014-2019)	Global Journal of Economics and Business	2022
47	An Economic Analysis of the Factors Affecting the Organization and Cultivation of	IOP Conference Series: Earth and Environmental	2023

	the Wheat Crop in Iraq Using Logistic Regression	Science, Volume 1158, Agricultural and Environmental Economics	
48	The Impact of Private Sector Investment in the Manufacturing Industry on Growth and Unemployment in Iraq for the Period 2004-2021.	Economics	2023
49	An Economic Analysis of Indicators of Sustainable Agricultural Development in Iraq (Environmental Indicators as a case study)	IOP Conference Series: Earth and Environmental	2023

Eleventh: Skills

- 1- time management**
- 2- Seriousness in work**
- 3- Familiarity with Microsoft programs**
