

Biography (CV)

Name: Ahmed Hilal Hammad Ali Al-Salmani

First: General tokens

Address: Work: University of Anbar. College of Arts / Department of Geography

Specialization: Human geography, geography, agricultural development Scientific degree: Assistant Professor Doctor

Postal address:

Mobile / ٠٧٨٠٠٤٤٠٢٦٦

E-mail: Ahmed.hellal@uoanbar.edu.iq

:Personal information

Place of birth: Al-Anbar Al-Qaim Nationality: Iraqi

Date of birth: ١٠/٤/١٩٨٥ Passport: Iraqi

Marital status: Married children: ٣

Second: Qualification

Degree	University	State	Date Obtained
Bachelor	Anbar	Iraq	٢٠٠٧
Master	Anbar	Iraq	٢٠٠٩
Doctorate	Anbar	Iraq	٢٠١٦

It has the title of the master's thesis:

Land uses in the countryside of the Obour district,

the title of the doctoral thesis;

Agricultural activity and its impact on the development of the desert area in the district of Hit .

Third: Work Experiences				
Basic tasks	Period		Place of work	Work
	to	from		
	٢٠١٤	٢٠١٢	Iraqi University College of Education for Girls	Assistant teacher
	-٢٠١٩ continuous	٢٠١٤	University of Anbar / College of Arts	teacher
	continuous	٢٠٢٠	University of Anbar / College of Arts	assistant professor doctor

Fourth: Educational experiences and research interests:		
١. Teaching subjects in preliminary studies (Bachelor):		
Specialization	season/year	Subject Name
natural geography	٢٠١٢-٢٠١١	general geography
regional geography	٢٠١٣-٢٠١٢	The geography of the Islamic world

regional geography	٢٠١٤-٢٠١٣	The geography of the Arab world
regional geography	٢٠١٧ -٢٠١٤	geography of the Americas
geoeconomic	٢٠١٧-٢٠١٥	Agriculture geography
Counting	٢٠١٨ -٢٠١٧	geostatistics
natural and human geography	-٢٠١٨ continuous	environmental problems
natural and human geography	- ٢٠١٨ continuous	geography of Iraq
٢. Teaching subjects in postgraduate studies:		
Specialization	the classroom	Subject Name
human geography	٢٠٢٠-٢٠١٩	urban transport geography
human geography	٢٠٢١-٢٠٢٠	urban transport geography
٣. Supervision of master's and doctoral theses:		
٤. Research evaluation:		
١. A master's thesis entitled Geographical analysis of the efficiency of the productivity of field crops in the Aziziyah District Center		
٢. A research entitled Spatial Modeling of Flood Risks in the Wadi Al-Walaj Basin in Al-Anbar Governorate using modern geographical techniques.		
٣. Examination of the change in the reality of agricultural production of the grain crop in the countryside of Ramadi district for the period ١٩٨٠ - ٢٠٢٠.		
٤. Research the conservation agriculture system and its impact on sustainable development in Salah El-Din Governorate.		
٥. Building a model for the vegetation cover changes in the Abbasid district using the sabi and ndvi algorithm.		

Fifth: Specialized conferences and scientific symposia:			
The nature of the post	Conference date	Conference Venue	Conference title
Conference attendance/participation with a scientific research entitled (Concentration and Agricultural Diversity of Field Crops in the Iraqi Governorate of Erbil	٢٠١٩	Republic of Egypt/ Menoufia University/Faculty of Literature	Sustainable development in the Arab world between the possibilities and aspirations of the peoples
Presence	٢٠١٨	Faculty of Arts, Department of History	A scientific symposium marking the centenary of the occupation of the city of Ramadi by British forces
