

Curriculum Vita

Name: Kamal Salih Kazkuz Majbas Al-Ani

First: Public Information

1-Address

- Work : Anbar University / College of Arts / Department of Geography
- Field: Geographical thought
- Scientific Degree : Professor
- Phone Number: 07905070113
- E-Mail: kamal.saleh@uoanbar.edu.iq

2-Personal Information

Place of birth : Anbar Ana
Nationality: Iraqi
Date of birth : 21 – 8- 1956
Passport :
Marital Status : Married
Children : 4

Second: Qualification

Degree	University	State	Date Obtained
Bachelor	Musul	Iraq	1979
Master	Basraha	Iraq	1990
Doctorate	Baghdad	Iraq	1998

❖ **Thesis Address:**

❖ **Agricultural land uses in the countryside of Ramadi**

❖ **Dissertation Address:**

Spatial variation of agricultural production in the Upper Euphrates region

Third: Work Experiences

Basic tasks	Period		Place of work	Work
	to	from		
Associate Dean of the College of Computer	2000	2003	Anbar University	Associate Dean

Fourth: Teaching Experience and Research Interests

1. Teaching subjects to undergraduate students:

Specialization	Course/ Year	Subjects

Curriculum Vita

Eurasia, the Americas, the Arab world, Iraq, the geography of the Islamic world	1993 - 2007	regional Geography
Historical geography	2003 - 2006	Historical geography
Planning and development	2005-2016	Natural Geography
agricultural geography	2007-2017	Economic geography
Research method	2007 - 2009	Research method
2. Teaching subjects to postgraduate students:		
Specialization	Course	Subjects
Environmental problems - Ph.D	First	Natural Geography
Agricultural land uses	Scnd	Human Geography
agricultural development	First	Human Geography
Scientific research methods and field study	First	Research method
2. Supervision of Theses and Disertations:		
<ol style="list-style-type: none"> 1- Problems of agricultural production in the district of Ramadi. 2- Urban expansion and its impact on agricultural land in the countryside of the city of Khalidiya 3- Changing the uses of agricultural land in Al-Baghdadi district. 4- Rural land uses in the transit district. 5- Desertification and its impact on agricultural land in the district of Fallujah, district (5 Al-Nasaf), a case study 6- Groundwater and the possibility of exploiting it in agricultural production in Al-Karmah district. 7- Rural land uses and their impact on agricultural land uses in Ramadi district 8- Livestock in Kirkuk Governorate. 9- Change of wheat production in Al-Anbar Governorate. 10- Possibilities of agricultural development in Al-Areya district 11- Change of wheat crop production in Erbil governorate. 12- Poultry and fish production in Anbar province. 13- Agricultural land uses in Sulaymaniyah district countryside. 14- Problems of agricultural production (vegetables) in Abu Ghraib district. 16- Problems of agricultural production in the sedimentary plain in Anbar Governorate. 17 - Changing agricultural land uses in Anbar Governorate 2000-2012 (PhD) 		
3. Evaluating Researches:		
<ol style="list-style-type: none"> 1- Education is salty in the district of a country. 2- Educational services in the countryside of Anbar Governorate. 3- Urban expansion trends in the city of Hit. 4- Educational services in the city of Hit. 5- Geographical analysis of rural land uses in Habbaniyah district. 6- Spatial determinants of development in Al Haqlaniya district. 7- Fallujah Dam and its environmental effects. 		

- 8- Desertification in Al-Taji sub-district.
- 9- Evaluation of the efficiency of the spatial distribution of kindergartens in the city of Hilla.
- 10- The possibility of agricultural development in the district of Shaqlawa.
- 11- Cartographic representation of agricultural land uses in Al-Khalidiya district.
- 12- The impact of the surface on agricultural land uses in Shaqlawa district.
- 13- Industrial development of the Western Desert in Anbar Governorate.
- 14- Protected Agriculture in Kirkuk Governorate.
- 15- Development trends in Al-Qaim and Al-Amriya districts.
- 16- Ports and harbors in the Arab Islamic State.
- 17- Astronomical aspects in the Arab and Islamic geographical heritage - Al-Birni as a model.
- 18- Regulations for the investment of agricultural land in the Zab district.
- 19- Spatial variation of the agricultural labor force in Salah al-Din Governorate 1987-2011.
- 20- Possibilities of expanding the cultivation of deciduous fruit trees under the climatic conditions of Anbar Governorate
- 21- Spatial analysis of agricultural land uses in Tal Afar district.
- 22- Spatial analysis of agricultural land uses in Halabja district using geographic information systems.
- 23- The impact of climate on agricultural operations in Iraq.
- 24- Zankora Region - Geographical Reality and Development Orientations.
- 25- Spatial analysis of changing agricultural investment systems in Rabia district 1996-2011.
- 26- Al-Ramadi district, a study in regional geography.
- 27- The development of desert agriculture in the Upper Euphrates region, judicial (about him and Al-Qaim as a model).
- 28 - Spatial development in the district of Rutba.
- 29- Geopolitical Dimensions of the Southeastern Anatolia Project (Cape) and its Impact on Arab Water Security.
- 30- Desert development and its environmental dimensions, a case study in the Hun region.
- 31- Salinity and reclamation of saline lands in the environmental coast.
- 32- The reality of agricultural settlement in the Ubari region within the Wadi Al-Hayat agricultural project.
- 33- Agricultural land uses and their impact on the environment in the city of Baghdad.
- 34- The rainy regions in the western plateau in Iraq.
- 35- The climatic regions suitable for growing vegetables in Anbar Governorate.
- 36- Leguminous Crops in Kirkuk Governorate.
- 37- Wind and its uses in energy in Anbar Governorate.
- 38- The exacerbation of the problem of desertification in the agricultural lands of Anbar Governorate.
- 39- Survival and annihilation in the water crisis, a study of problems and solutions.
- 40- Modern Irrigation Methods in the Upper Euphrates Region

4. Research Interests:

- 1- Agricultural geography**
- 2 - Geography of development.**
- 3- Scientific methods in scientific research**
- 4- Environmental studies**

Curriculum Vita

Fifth: Scientific Conferences and Symposium			
Task/ Contribution Assigned	Date of Conf.	Place of Conf.	Conference Title
First National Geographic Conference	1/12/2010	University of Baghdad - College of Arts - Department of Geography	Presence
Desertification phenomenon in Iraq - causes - effects - treatment	19/4/2010	Anbar University - College of Education for Girls - Department of Geography	Presence
Humanities Colleges Conference / Anbar University	11-12/4/2011	Anbar University	Participate in a search
Environmental Pollution Symposium	19/4/2011	Anbar University - College of Education for Girls - Department of Geography	Presence
Geographical assessment of the reality of services in the city of Ramadi	26/4/2011	Anbar University - College of Arts - Department of Geography	Participate in a search
Geomatics Conference on the occasion of World Water Day	7-4-2013	Yarmouk University -	Participate in a search
International Conference for Human Sciences	2013	College of Basic Education - University of Babylon	Participate in a search
Fourth, Fifth and Sixth Scientific Conference	2011-2013	College of Arts - Tikrit University	Participation in research
Scientific seminars of the Center for Western Sahara Studies	2003-2016	Anbar University	Participation in research and attendance
Scientific seminars of the Upper Euphrates Basin Development Center	2012-2017	Anbar University	Attend and participate
Scientific seminars of the Center for Strategic Studies	2015-2017	Anbar University	Presence
Scientific seminars and conferences	2010-2017	Anbar University - College of Science	Attend and participate
The first and second scientific conference of the Oil Products Distribution Company	2013-2017	Anbar University - College of Science	Attend and participate

Sixth: Papers Published			
Year	Feature	Journal	Title of Rsearch
1999	Published	Iraq, Al-Ustad	1- Industrial development and trends of industrial concentration and dispersal in

Curriculum Vita

		Magazine - Fifteenth	Iraq, Al-Ustad Magazine - Fifteenth Issue - Part Two 1999.
2001	Published	Governorate, Humanities Journal - University of Tikrit	2 - Agricultural investment of groundwater in Salah al-Din Governorate, Humanities Journal - University of Tikrit - Volume VIII - Issue IV - 2001.
2011	Published	district, Iraqi Journal of Desert Studies	3- Spatial analysis of groundwater and the possibility of investing it for agricultural production in Al-Karmah district, Iraqi Journal of Desert Studies - Anbar University - Volume Three - Number One - 2011.
2004	Published	Anbar University Journal for Human Sciences - Anbar University	4- The spatial variation of the characteristics of groundwater in the northern desert and the possibility of investing it for agricultural purposes, Anbar University Journal for Human Sciences - Anbar University - No. 2- 2004.
2008	Published	Journal of Educational Sciences - University of Al-Qadisiyah	5- Problems of low attendance at university lectures from the point of view of teachers and students, Al-Qadisiyah Journal of Educational Sciences - University of Al-Qadisiyah - Volume VII - Issue III - 2008.
2012	Published	Journal of Human Sciences - Tikrit University	6- Urban sprawl on agricultural lands in the countryside of Ramadi district - Zawiya Steih district, as a model for the study, Tikrit University Journal of Human Sciences - Tikrit University - Volume Nineteen - Fifth Issue - 2012.
2011	Published	Anbar University Journal for Human Sciences - Anbar University	7 - Desertification and its impact on agricultural activity in the countryside of Fallujah district (District 5 - Al-Nasaf), Anbar University Journal for Human Sciences - Fourth Issue - 2011.
2010	Published	Al-Farahidi Journal of Arts - Fourth Scientific	8- Upper Euphrates Basin in Iraq - Geographical Reality and Development Possibilities, Al-Farahidi Journal of Arts - Fourth Scientific Conference - University of Tikrit - 2010.
2011	Published	Anbar University Journal for Human Sciences - Anbar University	9 - Urban expansion and its impact on agricultural lands in the countryside of the city of Khalidiya, Journal of the University College of Knowledge - Sixteenth Issue -2011.
2004	Published	Anbar University Journal for Human Sciences - Anbar University	10 - Problems of agricultural land uses in the countryside of Habbaniyah district, Journal of the University College of Knowledge - Sixth Issue -2004.
2012	Published	- Tikrit University	11- Spatial analysis of natural resources and the possibility of investing them in Anbar Governorate, the Sixth Scientific Conference - College of Arts - Tikrit University - 2012.

Curriculum Vita

2012	Published	Journal of Desert Studies - -	12- Al-Anbar Generous Plateau - The Future of Providing Food, The Second Scientific Conference - Desert Studies Center - Anbar University - 2012.
2013	Published		13- The agricultural reality in Anbar Governorate - production potential and investment prospects - International Conference (Geomatics - Middle East and North Africa) - Yarmouk University of Jordan - 2013.
2012	Published		14- The Northern Desert, the geographical reality and development possibilities, the Fifth International Conference - College of Basic Education - University of Babylon - 2012.
2012	Published	Journal of Desert Studies -	15- The spatial relationship between irrigation methods and soil salinity - rural Ramadi district, model study, symposium of the Desert Studies Center - Anbar University - World Water Day - 2012.
2011	Published	Journal for Human Sciences	16- Change and future directions for the development of the agricultural sector in Anbar Governorate, Anbar University Journal for Human Sciences -2012.
2011	Published	Journal for Human Sciences	17- Abuses in the city of Ramadi and their impact on the service reality, Anbar University Journal for Human Sciences - Third Issue -2011.
2014	Published	Journal of Desert Studies -	18- The efficiency of poultry and fish production in Anbar Governorate for the year 2013, Iraqi Journal of Desert Studies - Anbar University - 2014.
2014	Published	Journal for Human Sciences.	19- Agricultural land uses in Anbar Governorate for the year 2012 - reality and future directions, Anbar University Journal for Human Sciences - 2014.
2013	Published	Anbar University Journal for Human	20- The change of rural land uses and its impact on agricultural activity in the countryside of the Ramadi district center, Anbar University Journal for Human Sciences -2013.
2008	Published	Anbar University Journal for Human	21- Rural land uses in Al-Obour district, Anbar University Journal for Human Sciences -2008.
2014	Published	Anbar University Journal for Human	22- Change of agricultural land uses in the countryside of Anbar Governorate, for article 2000-2012, Anbar University Journal for Human Sciences - 2014.
2008	Published	Journal of Desert Studies	23 - Groundwater and the possibility of investing it for agricultural production in Anbar Governorate, the first scientific conference - Desert Studies Center - Anbar University - 2008.
	Published	Anbar University Journal for Human	24 - The reality of plant agricultural production in Al-Amriya district - Anbar University Journal for Human Sciences.

Curriculum Vita

	Published	Anbar University Journal for Human	25 - Change in wheat crop production in Erbil Governorate - Anbar University Journal for Human Sciences.
	Published	Anbar University Journal for Human	26- Human factors and their impact on the rate of yield of dunums for the production of crops (wheat, potatoes, maize - Proceedings of the first conference for human sciences.
	Published	Anbar University Journal for Human	27 - Changing the uses of agricultural land in Al-Baghdadi district - Journal of the College of Knowledge.
	Published	Anbar University Journal for Human	28 - Livestock in Kirkuk Governorate - Anbar University Journal of Human Sciences.
	Published		29 - Excesses on the master plan for the city of Ramadi - the green zone in kilo 5 as a model - a research paper for the scientific symposium of the College of Engineering.
	Published		30 - The role of cities and towns in polluting the waters of the Euphrates River - a research submitted to the Upper Euphrates Basin Development Center on the occasion of World Water Day.
	Published		31- Human problems and their impact on agricultural production in Abu Ghraib district.
	Published		32 - Visual processing of relative density maps in the countryside of Ramadi district.
	Published		33 - Problems and future directions for the uses of agricultural land in the district of Sulaymaniyah.

Seventh: Books Published		
Date of Publication	Place of Pumlication	Title of Book

Curriculum Vita

Eighth: Committee Membership		
Membership in Dept.	Membership in Coll.	Membership in Univ.
College Development Committee in the Western Region 2005-2006	Scientific Promotion Committee	Scientific Committee for Undergraduate and Postgraduate Studies
PhD Evaluation Committee in the College of Education for Human Sciences	Supervision and graduation research committee	Educational Guidance Committee
Supervising and evaluating the students' graduation research committee 2008-2009	Cooperation Mechanism Committee	Graduate Research Discussion Committee
	Nominations Committee	Research committee for promotion and master's theses
		Examination committee

Ninth: Participation in Sessions		
Date Held	Place of Session	Name of Session
2012	Anbar Uinvirsity	Official Correspondence Course
2016	Anbar Uinvirsity	Arabic language course

Tenth: Skills	
Skills	Status
