

السيرة الذاتية (CV)

Dr.. Luay Maher Hammad Salih al-Dulaimi

First: general information

Address: Iraq - Anbar - Ramadi. ١

Work: University of Anbar .. College of Arts / Department of Geography •

Specialization: Hydrology Degree: Lecturer, Doctor •

:post address •

Mobile / 07816515990

luai.hammad@uoanbar.edu.i :E-mail

2: personal information

Place of birth: Anbar - Ramadi **Nationality:** Iraqi

Date of birth: 01/01/1992 **Passport:** Iraqi

:Marital status: single, number of children

:Second: Academic Qualifications

the date it was obtained	the state	The university	the degree
2014-2015	Iraq	Anbar / College of Education for Human Sciences - Department of Geography	البكالوريوس
2017	Iraq	Anbar / College of Education for Human Sciences - Department of Geography	الماجستير
2021	Iraq	Anbar / College of Education for Human Sciences - Department of Geography	الدكتوراه

Master's thesis title: Water drainage of the Euphrates River in Haditha district and its impact on use humankind using remote sensing data and geographic information system

PhD thesis title: Spatial analysis of groundwater in Anah district and the possibility of investing in it

:Third: Job Experience			
Main tasks	Time period	Workplace	:Third: Job Experience
my teaching	2018-2022	Anbar University / College of Education for Human Sciences	my teaching
Scientific - administrative	2022	Presidency of Anbar University - Department of Internal Affairs	Social Research Unit Officer
administrative	2021	Presidency of Anbar University	Central Promotions Division
administrative	2021-2022	Presidency of Anbar University	Division of Missions and Cultural Relations
administrative	2017-2020	Presidency of Anbar University - Department of Internal Affairs	Accounts Division
my teaching	2021	Anbar University / College of Arts	my teaching
:Educational experiences - primary and postgraduate studies			
school year	stage	profile	Subject Name
2021-2022	The first / first course	physical geography	geomorphology
2020-2021	The first / first course	physical geography	Geography of Africa
2019-2020	The second/third course	physical geography	Geography of natural resources
2017-2018	Second/first course	physical geography	Practical physiological gymnastics
2020-2021	First/fourth course	physical geography	life geography
2020-2021	The second/third course	physical geography	Soil geography
2020-2021	First/third course	physical geography	Geography of North America
2020-2021	Chapter two/first	physical geography	dry regions
2021-2022	The first / first course	physical geography	The foundations of the Earth's surface shapes
2019-2020	The first / second course	physical geography	Hydrology
4- :Research Evaluation .			
<p>.The Hydrological Characteristics of the Sea of Najaf, Karbala Journal.2022 - Evaluation of a scientific research in the London Research Journal (Strategic Planning for Recreational - .Tourism in Wadi Al Quff Reserve, Triple Relationship and Complementary Goals. 2022 A proposed vision for the development of vocational education in light of the Corona pandemic. Isra - .University Journal. 2022 Strategic planning for the foundations of development in the state of Kaslan, Sudan, an applied study, . 2022. Palestine University Member of graduation research discussion committees for students of the final stage of the bachelor's .degree for different years .Supervising the research of fourth-year students from 2019 to 2023 -</p>			
:Research interests			

- A plan for sustainable water development
- Planning for environmental development
- Paying attention to the application of water resources management

:Fifth: Specialized conferences and scientific seminars

The nature of the engagement	Conference date	conference venue	Conference title
Member of the Preparatory Committee	2023	Iraq - Maysan University	The International Conference at Maysan University - College of Basic Education, 2023
Participation of two papers with a scientific expert at the conference	2022	Iraq- Palestine	International Conference at Al-Israa .University - 2022
Participation in research with a scientific expert in the conference	2022	London - Iraq	International Scientific Conference - University of Minnesota - London in cooperation with the .Heritage Association, 2022
research	2020	Iraq	International Conference for Humanities - .Anbar University 2020
Participation in the exhibition of water and its preservation in the Museum of Greece	2022	Greece	International conference in Greece - Athens

:Sixth: Published Research

the year	the condition	the magazine	Research Title
2018	Published	Humanities	Evaluation of the validity of the Euphrates River water for human use in Haditha district
2021	Published	Humanities	Evaluating the qualitative characteristics of groundwater in Anah district and its impact on agricultural production
2020	publishing acceptance	Scopas - Geographical	Spatial analysis of groundwater in Anah district within the .desert areas and the possibility of investing it
2022	Conference Proceedings Publication	Published in Heritage Conference	Hydrological drought and its impact on the agricultural reality in Iraq, the upper Euphrates as a model

2022	Conference Proceedings Publication	Al-Israa Magazine - Palestine	The impact of emotional relationships on the educational level of the students of the University of Anbar - students of the boarding departments, a case study
------	------------------------------------	-------------------------------	--

:Eighth: Published Books

date of publication	Publisher	The title of the book
2022	Amjad Publishing House - Jordan. ISBN 978-9923-25-481-3	Where is the water security in Iraq? In light of the water scarcity
2023	Amjad Publishing House - Jordan. ISBN 978-9923-25-558-2	Water and Iraq (a study of challenges and (sustainable development

:Ninth: Committee Membership

at the department level	at the college level	at the university level
Member of the scientific nucleus committees in the department		. Member of the International Conference Committee at the University of Palestine
		Member of the International Conference Committee at the University of Maysan
		Member of the Conference Committee of the University of Minnesota - London
		Member of the Agriculture and Irrigation Committee in Iraq

:Tenth: Training courses implemented by

The date it was held	the course place	Course name

:Eleventh: Courses in which he participated

The date it was held	the course place	Course name
2018	Anbar University - Education for Human Sciences	Teaching qualification test course
2018	Anbar University - Center for Continuing Education	Educational qualification course
2017	Anbar University - Computer Center	Computer Proficiency Course
2017	Anbar University - Center for Continuing Education	Arabic proficiency course
2017	Anbar University - Center for Continuing Education	English proficiency course

:Twelve: Additional information

**Awards and recognition . **

the year	Country	Donor	Type of award or recognition
different years	Iraq	Ministry of Higher Education and Scientific Research	Thanks and Appreciation of the Minister (of Higher Education Number (6
different years	Iraq	Anbar University	Thanks and Appreciation of the President (of the University Number (3
different years	Iraq	Anbar University - a different college	Acknowledgment and Appreciation of the (Dean of the College Number (4
different years	Iraq	Anbar University	Thanks and appreciation of department managers in the presidency

General interests .٢

The statement	activity
In the field of geographical studies in general and natural studies in particular	General writings
In the field of natural geographical studies, including hydrology	General readings
Follow-up, knowledge and scientific cooperation with the corresponding scientific departments at the international, regional and local levels	Other activities

General skills .٣

The statement	The skills
I am good at using it in an advanced and continuous manner	computer applications
english	foreign languages
Reading and scientific writings in the specialty and recreational .activities	hobbies
