	Drama	Drama is a form of literature that tells a story through dialogue, actions, and performances by actors on stage or in front of a camera. It is a genre that presents a story through characters, often involving conflicts and emotional experiences that engage and entertain audiences.
	Literary Criticism	Literary criticism is the study and evaluation of literature and its various components, including its language, style, themes, and historical context. It is an academic field that analyzes literary works and explores the ways in which

		they are written, interpreted, and received.
