

Curriculum Vitae

Personal information:

Surname (s): Lafi

First name: Shehab

Middle name: Ahmed

Date of birth: 14 July 1958

Place of birth: Hit city, Anbar Governorate

Address: Hit city, Anbar Governorate

Nationality: Iraqi

Gender: Male

Phone: 00964 7902836414

E-mail: Shehab_6555@ymail.com

Education

Academic Graduation :

1- Ph.D. Medical Microbiolog 2004 ,College of Medicine ,Al-Mustansirya Uni. Baghdad,Iraq.

2- M.Sc., Vet. Microbiology 1986 ,College of Veterinary Medicine , Baghdad Uni. Baghdad , Iraq .

3- B.V.Med. & Surgery 1981, College of Veterinary Medicine , Baghdad ,Iraq, 3^{ird} Rank among 152 students.

4-Primary School : 1970 Primary School for Boys in Hit

5- Secondary Study : 1976 Secondary School for boys in Hit .

Teaching experience:

Higher Education teaching experience in Medical Microbiology and immunology Since 1986 till now.

Professional Employments:

- 1- Rotator Veterinary doctor In Animal Health Department , Ramadi Animal Hospital ,from 24-April 19982 to 17-April 1984 .
- 2- Assistant Lecturer in Biology Department and Co Head of the Department, College Of Education ,Al-Qadissyea University From 22 November 1988 to 23 September 1991.
- 3- Assistant Lecturer In Medical Microbiology Department , College of Medicine ,Anbar University. From 23-September 1991 to May 1994.
- 4- Awarded the scientific rank Lecturer in specialty in 1994.
- 5- Lecturer in Medical Microbiology ,Department, College of Medicine from 1994-1997
- 6- Awarded the scientific rank Assistant Professor in specialty in May 1997.
- 7- Assistant Professor in Medical Microbiology , Bacteriology From May 1997 –Dec.2008 .
- 8- Awarded the scientific rank Professor in specialty in Dec.2008
- 9- Professor in medical microbiology , Head of the Department of Medical microbiology in College of Medicine Anbar University.

Professional activities :

- 1- Rapporteur of Medical Microbiology Department , College of Medicine , Anbar University from September 1991 to 1997.
- 2- Vice Dean for the College of Medicine for Student and Scientific Affairs From 1998-2000
- 3- Member of the Medical Supervisor Committee in The College of Medicine , Anbar University from 1998-2000.
- 4- Consultant Bacteriologist in The Consultation Medical Lab In the College of Medicine Anbar University From 1996 to 2000.

- 5- Head of the Branch of Bacteriology , Department of Medical Microbiology From September 2000 to September 2009 .
- 6- Member of the Committee for Scientific Upgrading from 2006 to April 2011
- 7- Head of the Department of Medical Microbiology From September 2008 till 2009 .
- 8- Member Of The Consultation Council for the Denary of College of Medicine Anbar University from 2005 till 2010.
- 9- Director of the Editorial board of Anbar University Journal for Medical Studies from 2010 – October 2011.
- 10- Head of the Department of Medical Microbiology From October 2001 till now.

Publications:

- 1-M.Sc. Thesis 1986 Study on Toxin production of *Bacillus anthracis* and its Efficiency in Immunization., Microbiology Department , College of Vet. Medicine 1986 , Baghdad University , Iraq.
- 2--PhD. Thesis 2004 , Study on some immunological and Bacteriological Aspects of Bronchial Asthma, College of Medicine , AL-Mustansiriya University , Baghdad Iraq.

Papers and Articles:

- 1- Larvicidal Activities of *Bacillus sphaericus* strain 2297 on *Culex modestus* larvae , Published in Iraqi Microbiological Journal Vol.1 NO.1 1993 page 8-14.
- 2- Study on Malta fever in Ramadi . Published in Journal of The Faculty of Medicine , Baghdad Iraq, Vol. 36 , No. 1 , 1994.
- 3- Study on the Well water quality in Ramadi . Published in Al-Anbar University Journal Vol.1 ,No.1 1996
- 4- Study on epidemiology of *Schistosoma hematobium* in Al-Anbar Governorate
Published in Yemen Medical Journal Vol.2 No.1, PAGE 61-64, April 1996.
- 5-Study on Kubaysa spring water quality Al-Anbar Iraq. Published in Al-Anbar Agriculture Journal Vol.
- 6- *Paramecium caudatum* as biological controlling agent for *Fasciola gigantica*
Published in the Proceeding of First conference of College of Agriculture , Al-Anbar University No 465 in 23-August 1997, National Library Index NO.177, Year 1997. IRAQ.
- 7-Study on Bacterial wound infections , Published in Al-Mustanssiriya Biologic J. Vol. 8, No.3 1997.

- 8-Bacteriurea associated with urinary Shistosomiasis , Published in Al-Anbar University Journal Vol. 2,No.1 1998.
- 9-Qantitative Antimicrobial sensitivity test for Clinical *Pseudomonas aeruginosa* isolates taken from Burn patients in Saddam General Hospital , Ramadi Iraq . Published in Fifth Conference in Al-Anbar College of Medicine 18-219 April 2000.
- 10-Study on preservation of bacterial isolates , published in Sixth Conference in Al-Anbar College of Medicine 18-219 April 2002
- 11- Association of some viral infections with asthma , Published in Al-Kindy College Medical Journal , Vol. 4 , No 2, 2008.
- 12.*Chlamydia Pneumoniae* and asthma : Serological evidence , Published in Kufa Medical Journal , Vol. 8 , No.1, 2005.
- 13-Study on some factors associated with eczema , published in Journal of Al-Anbar University for pure Sciences . Vol. 1, No.3 .2007
- 14- Bacterial infections associated with cutaneous leishmaniasis , published in Al-Kindy College Medical Journal Vol. 4,No.(1) 2007.
- 15- Effects of Bacterial infections on eczema, published in Journal of Al-Anbar University for pure Sciences . Vol. 2, No.2 .2008 .
- 16-IgE Specific for dust contaminant bacteria in atopic rhinitis , published in Diyala Journal for Applied Researches , Vol.4,No.1 2008 .
- 17- Appendicitis : Bacteriological Aspect and some other factors, published in Anbar Medical Journal , College of Medicine ,Iraq. Vol.1, No. 4, July2009.
- 18-The study of chromosomal aberrations in mice infested with radiated and non-radiated protoscolices of *Echinococcus granulosus*. Accepted in Diyala Journal for Applied Sciences 2009.
- 19- A study for the correlation between Eosinophil Derived Neurotoxin (EDN) And Asthma. Iraqi Journal of Medical Sciences , Vol. 7 (2) 2009.
- 20-Bacteriological and serological study on Synovial fluid from patients with septic arthritis, published in the proceeding of the First International Conference of Biological Sciences and their applications, Egypt Cairo from 27-29 sept.2010.
- 21- Bacterial infections associated with psoriasis, published in the Egyptian Academic Journal of biological sciences Sept. 2010
- 22- Chlamydia trachomatis and male sterility in Baghdad , accepted in Journal of Egyptian Society of Experimental Biology Faculty of Science 2011.
- 23-Honey depots phagocytosis Accepted and presented in First Shared Medical Conference and 7th Conference for the College of Medicine from 27-28 April 2011.Al-Anbar University College of Medicine West of Iraq.
- 24-Antibacterial effect of some Mineral Clays, Accepted and presented in First Shared Medical Conference and 7TH Conference for the College of Medicine from 27-28 April 2011.Al-Anbar University College of Medicine West of IRAQ.
- 25- Study on some factors affecting immunoglobulin IgG and IgM titers in Neonates , presented and published in the 7th Annual International Conference of the Egyptian Society of Experimental Biology Faulty of Science , Cairo University 2-6April 2011.

26- Presentation of brucellosis in an endemic area : West of Iraq Published in Egypt. Acad. J. Biologic. Sci. ., 3(1):13-18(2011).

27- Gram positive bacteria isolated from Genital tract infection, Accepted in 8th Conference of Egyptian Society of Experimental Biology Faculty of Science Feb. 2012.

28- Molecular Detection of 16s r RNA of *Chlamydia pneumoniae* in Asthmatic Patients,accepted in 7th Conference of Egyptian Society of Experimental Biology Faculty of Science 2011.

29- Bacterial Urinary Tract Infection in Hit District Anbar Governorate West of IRAQ , Accepted in Fifth Conference of ISCEIT in Dec. 2011. Egypt Cairo.

30-Antiphospholipid syndrome and abortion :Immunological study.Accepted in Journal of Al-Anbar University for pure Sciences 2014.

31-Study of some immune factors in patients with bacterial urinary tract infections .Accepted in Journal of Al-Anbar University for pure Sciences .

32- Immune and non-immune diagnosis of *H. pylori* In Patients with ingastric ulcer (GU) and non-ulcer dyspepsia (NUD). *J. of University of Anbar for pure science : Vol.8:NO.3: 2014*

33-Biofilm forming bacteria isolated from chronic tonsillitis, Published in IJST. 2015, Vol. 10 (1):78- 82 .

34-Study of some immune mediators in gastric biopsies and sera from dyspeptic patients infected with *H. pylori*. 2015, IJST.Vol.10 (4) :

35- Specific IgE For *H. pylori* and some immune Factors in patients with dyspepsia". Published in Global Journal of Bio-science & Biotechnology (GJBB) Vol.5 (2): 228-232 , 20016.

Books: Booklet titled Anthrax ,Some clinical and diagnostic aspects in human and animal November 2008.

Conferences:

1- Conference of Student Researches Qualifications 1989,member of Qualifying Committee, College Of Education Al-Qadisya Uni. Iraq.

2- Forum on Typhoid fever , Head of the Forum , in 1989 at College Of Education Al-Qadisya Uni. Iraq.

3- Forum on Control of Communicable Diseases , Central Medical Labortires , Ministry of Health , Baghdad ,Iraq 1988 .

4- Second Arab Biological Conference , Jordan 1993 , researcher.

5-First 1992 , second 1994, third 1996 , fourth 1998 , fifth 2000, Sixth, 2002 Conferences in Al-Anbar College of medicine as researcher in each one.

6-First Conference of AL-Anbar Agriculture college , 1997.

7-Fourth Ecological Conference Taiz, Yemen 2007.

- 8-Second Environmental Forum , Tanta ,Egypt 2008 .**
- 9-Arab Veterinarians Conference, Baghdad 2000.**
- 10-Arab Veterinarians Conference , Baghdad 2002.**
- 11- Conference Of College of Veterinary Medicine , Al-Qadisiya Uni. Diwanya Iraq 2005.**
- 12-Regional Conference on Avian Influenza virus ,November 2005, Baghdad Iraq.**
- 13 Forum on Zoonotic Disease In veterinary medicine, Baghdad Uni. 2000.**
- 14- Forum on Animal Diseases in Veterinary medicine college , Al-Anbar Uni. Falluja Iraq , 18th . Nov. 2008.,Chairman of Research Qualifying committee .**
- 15 -Training on clinical PCR test in Aleppo Educational Hospital ,College of Medicine Aleppo University , Syria Aleppo From 18-21 August 2008 .**
- 16- Forum on epidemic Flu in College of Medicine , Al-Anbar Uni. Ramadi Iraq , 2009.,Chairman of Research Qualifying committee.**
- 17- Forum on Swine Flu in Veterinary medicine college , Al-Anbar Uni. Falluja Iraq 2009, Member of Research Qualifying committee.**
- 18- The first International Conference of Biological sciences and its applications, EGYPT, Cairo 27-29 Sept. 2010. (Researcher).**
- 19- The 7th Annual International Conference of the Egyptian Society of Experimental Biology Faculty of Science , Cairo University 2-6April 2011 (Researcher).**
- 20- First Shared Medical Conference and 7TH Conference for the College of Medicine from 27-28 April 2011.Al-Anbar University College of Medicine West of IRAQ.**
- 21-The 40th conference for Iraqi Medical Association ,Sulaymania IRAQ 27-29 Oct. 2011.**
- 22-Fifth Conference of ISCEIT in Dec. 2011. Egypt Cairo.**
- 23-The 7th Annual International Conference of the Egyptian Society of Experimental Biology Faculty of Science , Cairo University , Feb. 2011. Egypt Cairo.**
- 24- The workshop held by the Egyptian Society of Experimental Biology Faculty of Science , Cairo University , June, 2011. Egypt Cairo.**

- 25- The 8th Annual International Conference of the Egyptian Society of Experimental Biology Faculty of Science , Cairo University , Feb. 2012. Egypt Cairo.
- 26- The symposium on Antioxidants held by College of Medicine , Al-Anbar University in 10th Dec. 2012 .
- 27- The symposium on hepatitis B virus held by College of Medicine , Al-Anbar University in 11th Dec. 2012 .
- 28- The workshop on Requirements of curriculum held by Quality Assurance and Accreditation Department , Al-Anbar Uni. at the College of Medicine in 4th March 2013.

29-Eleventh scientific conference, College of Medicine, Al-Mstansiryia Uni. 24-25 March 2016.

11- Training courses :

- 1-Workshop on Methods of teaching ,testing and qualification held in Al-Qadisyia University , 1989
- 2-Traning on diagnosis of Communicable Diseases , Central Laboratories , Ministry of Health ,Iraq ,1989.
- 3- Workshop on Management , Minstry of Higher Education 1990.
- 4- training course on Computer Applications , Computer Center , Anbar University, 1998.
- 5- workshop on financial management ,Ministry of Planning , Iraq,1999
- 6-Training On Clinical Lab Application of PCR, Aleppo Teaching Hospital , Syria ,2007
- 7-Training on clinical PCR test in Aleppo Educational Hospital ,College of Medicine Aleppo University , Syria Aleppo From 18-21 August 2008.
- 8- Workshop on Electron Microscopy ,Egypt, 2012.
- 9-The workshop on Requirements of curriculum held by Quality Assurance and Accreditation Department , Al-Anbar Uni. at the College of Medicine in 4th March 2013.
- 10-Passed the professional Examination for The Clinical Microbiological Laboratory Diagnosis Held BY Ministry of Health , Baghdad IRAQ in 2010.

Courses taught

Undergraduate Studies Teaching :

- 1- Teaching of practical biology and invertebrates in Biology Department , College Of Education ,Al-Qadissyia University from 1988 to 23 September 1991.
- 1- Teaching of the Practical and Theoretical Epidemiology for the students of Medical Institute , Al-Qadissyia
- 2- Teaching of the Practical and Theoretical Medical microbiology for the students of Medical Institute , Al-Qadissyia from 1988-1990
- 3- Teaching of Microbiology for the students of the first year Soil Science in Agriculture , College , Al-Anbar University in 1994.
- 4- Teaching of theoretical and practical lectures of Medical Biology for the first year students at the College of medicine , Al-Anbar University from 1994-2000
- 6-Teaching of theoretical and practical lectures of bacteriology for the third year students at the College of medicine , Al-Anbar University from 1991 till now .

7- Teaching of theoretical and practical lectures of bacteriology and Immunology for the third year students at the College of Dentistry , Al-Anbar University from 1994 to 2000.

8- Teaching of theoretical and practical lectures of Immunology for the third year students at the College of Medicine , Al-Anbar University from 2003 till now .

Postgraduate Teaching:

- 1- Teaching practical course of Medical Bacteriology for Master students in the Department of medical microbiology College of medicine , Al-Anbar University from 1994 till now .**
- 2- Teaching theoretical and practical course of Medical Bacteriology for Master students in the Department of medical microbiology College of medicine , Al-Anbar University from 1995 till now .**
- 3- Teaching theoretical and practical course of Molecular Biology for Master students in the Department of medical microbiology College of medicine , Al-Anbar University 1n 1999.**
- 4- Teaching theoretical and practical course of Diagnostic Bacteriology for Master students in the Department of medical microbiology College of medicine , Al-Anbar University from 1995 till now .**
- 5- Teaching theoretical and practical course of practical Immunology for Master students in the Department of medical microbiology College of medicine , Al-Anbar University from 1995 till now .**
- 6- Teaching theoretical and practical course of theoretical and practical Immunology for Master students in the Department of Medical Microbiology College of medicine , Al-Anbar University from 2003 till now .**

Memberships:

- 1- Member of World Allergy Association**
- 2-Member Of the Egyptian Society of Experimental Biology.**
- 3-Member of the Egyptian Academic Association of Biological Sciences.**
- 4-Member of Iraqi veterinary doctors Association**
- 5-Member of Iraqi teachers Association.**

6-Member of Iraqi Biological Association

7-Member of Arabic Biological Association

Other professional activities:

1-Private clinical laboratory , Hit City, Anbar.

Languages

1- Arabic , Native Language

2- English

Awarded English Proficiency certificate, College of Foreign Languages , Baghdad University 1990.

Computer professional skills:

Microsoft Word, Power point, printing, Internet

Awarded Computer Proficiency certificate Anbar University Computer Center1998 .
