Wonders Of The Modern World عجائب العالم الحديثة

I don't believe that today's wonders are similar in kind to the wonders of the Ancient World. They were all buildings, such as the Pyramids in Egypt, or other architectural structures. Over the past 100 years, we have seen amazing technological and scientific achievements. These are surely our modern wonders.

1

It is everywhere. More than half a billion people use it, and the number of people who are online increases by 100 million every year. In 1994, there were only a few hundred web pages. Today there are billions. It has revolutionized the way we live and work. But we are

still in the early days. Soon there will be more and more interactivity between the user and the website, and we will be able to give instructions using speech.
