The Soote Season

The soote season, that bud and blome furth bringes,
 With grene hath clad the hill and eke the vale:
 The nightingale with fethers new she singes:
 The turtle to her make hath tolde her tale:
 Somer is come, for euery spray nowe springes,
 The hart hath hong his olde hed on the pale:
 The buck in brake his winter cote he flinges:
 The fishes flote with newe repaired scale:
 The adder all her sloughe awaye she slinges:
 The swift swallow pursueth the flyes smale:
 The busy bee her honye now she minges:
 Winter is worne that was the flowers bale:
 And thus I see among these pleasant thinges
 .Eche care decays, and yet my sorow springes

1-Reading the poem and explaining its literal meaning

- [soote] Sweet.
