What are your goals

The following expressions and topics will be explained with examples and exercises, then the student will give examples too.

1-Giving advice

I think its important to watch DVDs in English.

What some students find really useful is to watch part of a movie.

Why not listen for general meaning only.

You could listen again.

2-Describing learning goals

My main goal is to talk to foreign visitors easily when they visit our company.

I need to talk about my job

I want to talk to people when I go overseas on holiday.

3-The useful expressions and sentences in this unit:

My aim is to study English at university.

My dream is to study in the UK
